**DECLARATION OF CONDOMINIUM  
OF  
THE TENNYSON, A CONDOMINIUM**

THIS DECLARATION OF CONDOMINIUM ("Declaration") is made this \_\_\_\_ day of April, 2006, by The Tennyson, LLC, a Florida Corporation, as owner of the real property hereinafter described, and developer of the improvements thereon (herein called the "Developer" or "Declarant"), for itself, its successors, grantees, assignees and/or their transferees. WITNESSETH:

WHEREAS, Developer is the owner of, and desires to develop The Tennyson, a Condominium on the real property more particularly described in Exhibit "A" and referred to herein as the "Land" and/or "Condominium Property"; and

WHEREAS, Developer desires by this Declaration to submit the real property described in Appendix A attached to this Declaration and all improvements now or hereafter constructed thereon to condominium ownership and use, pursuant to Chapter 718, Florida Statutes as it exists on date hereof (the "Condominium Act"), and the Developer does hereby submit the said real estate and improvements to the condominium form of ownership and use.

NOW, THEREFORE, Developer makes the following declarations:

1 **PURPOSE:**

The purpose of this Declaration is to submit the real estate in the land described in Appendix "A" and all improvements now or hereafter constructed on said land, to the condominium form of ownership and use. The name by which this condominium is to be identified is THE TENNYSON, A CONDOMINIUM, and will consist of 90 residential units (the "Condominium"). Unless otherwise noted, the term "unit" shall refer to each of the residential units.

1.1 The address of this Condominium is 121 North Monroe Street, Tallahassee, Florida, 32301.

1.2 The Land is that certain real property located in Leon County, Florida, described on Exhibit "A" attached hereto, together with all improvements now or hereafter constructed thereon, and is hereby submitted to the condominium form of ownership and use. The Land shall be subject to certain conditions, restrictions, limitations, easements, and reservations of record.

1.3 The Land is subject to (a) the covenants, conditions, restrictions, easements and reserved rights of the Developer contained in this Declaration; and (b) such other easements as shown on the Condominium Plat, as contained in any future amendments to this Declaration, or as declared by the Developer pursuant to reserved rights contained herein.

2 **DEFINITIONS.** The terms used in this Declaration and in the Articles of Incorporation and the Bylaws shall have the meaning stated in the Condominium Act (Chapter 718, *Florida Statutes*), as it exists on the date hereof, and stated herein, unless the context otherwise requires. Further, whenever the context so requires, the use of any gender shall

be deemed to include all genders, the use of the plural shall include the singular and the singular shall include the plural.

3 **DEVELOPMENT PLANS.**

3.1 **Improvements.** A legal description of the Land, together with a narrative and graphic description of the improvements in which units are located and a site plan thereof, in sufficient detail to identify the Common Elements (as defined in this Declaration), Limited Common Elements (as defined in this Declaration), and each unit in their respective location and approximate dimensions is set forth in Appendix "A" to this Declaration of Condominium. Notwithstanding the fact that no unit, except as expressly provided herein, may be divided or partitioned for purposes of sale or use or lease, any unit or units may be combined with the laterally adjacent unit or units to permit occupancy of such areas as one residential living space, and then only as expressly provided for herein and as allowed by the Condominium Act. Where more than one unit or units has been acquired by the same owner and combined into a single residential living space, the unit plans, as described in **Appendix "A"**, may not reflect the interior plans of the combined units, but the exterior boundaries of the combined units remain the same. Should any units be combined, each of the combined units shall continue to exist as separate units as described in this Declaration for the purpose of applying the provisions of this Declaration and all exhibits attached hereto. Such a combination of units shall be for purposes of occupancy and use only and shall not be deemed an amendment to this Declaration. Any such combination shall not materially alter or modify the configuration or size of a unit. Should the combining of units as described in this Section be determined to violate the provisions of Florida Statutes Section 718.110(4), an amendment to this Declaration shall be approved, executed and recorded as required by Florida Statutes Section 718.110(4).

3.2 **Unit Identifications.** The legal description of each unit shall include the identifying number of such unit, as shown in **Appendix "A"** attached hereto, together with a reference to the Condominium and to this Declaration. Every deed, lease, or mortgage agreement, or other instrument may legally describe a unit by its identifying number as provided for on the attached **Appendix "A"**, together with a reference to the Condominium and to this Declaration, and each and every description shall be deemed good and sufficient for all purposes.

3.3 **No Time-Share Estates.** Time-share estates will not be created with respect to units of this Condominium.

4 **UNIT BOUNDARIES, COMMON ELEMENTS AND LIMITED COMMON ELEMENTS.** Each unit shall include that part of the unit, which boundaries are as follows:

4.1 **Upper and Lower Boundaries.** The upper and lower boundaries of the unit shall be the following boundaries extended to an intersection with the parametrical boundaries:

4.1.1 Upper Boundary shall be the horizontal plane of the undecorated, finished ceiling.

- 4.1.2 Lower Boundary shall be the horizontal plane of the undecorated, finished floor.
- 4.2 Parametrical Boundaries. The parametrical boundaries of the unit shall be the vertical plane of the undecorated and/or unfinished inner surfaces of the walls bounding the unit, extended to intersection with each other and with the upper and lower boundaries.
- 4.3 Boundaries - Further Defined. The boundaries of the unit shall not include all of those spaces and improvements lying within the undecorated and/or unfinished inner surfaces of the perimeter walls and those surfaces above the undecorated finished ceilings of each unit, and those surfaces below the undecorated finished floor of each unit, and further, shall not include those spaces and improvements lying within the undecorated and/or unfinished inner surfaces of all interior weight bearing walls and/or weight bearing partitions, and further shall exclude all pipes, ducts, wires, conduits and other utilities running through any interior wall or partition for the furnishing of utility services to other units and/or for the Common Elements. If the actual physical location of any unit constructed within the Condominium at any time does not precisely coincide with the area depicted on the Condominium Plat, the actual physical location of the unit shall control over locations, dimensions and descriptions reflected on the Condominium Plat.
- 4.4 Common Elements. The "Common Elements" shall include the following:
- 4.4.1 All Condominium Property that is not included within the units and not defined as Limited Common Elements. Easements through units for conduits, ducts, plumbing, wiring, and other facilities or the furnishing of utility services to units and the Common Elements.
- 4.4.2 Any certain area shaded and specifically designated as a "Developer Reserved Area" or "DRA" as set forth on the applicable floor plans, which are a part of Appendix "A" is expressly excepted in the Declaration from the area which is submitted to condominium ownership and is not part of the Condominium. See Section 4.6 below.
- 4.4.3 An easement of support in every portion of a unit which contributes to the support of the building.
- 4.4.4 The property and installations required for the furnishing of utilities and other services to more than one (1) unit or to the Common Elements.
- 4.4.5 All drainage and stormwater management systems, driveways, private streets and adjacent drainage. Rain, stormwater, and surface water drainage is provided by natural flow toward the exterior of the building and toward outside retainage. Storm and surface water is also eliminated by ground absorption.
- 4.4.6 All landscaping, lawn and grass areas and sprinkler systems within the Condominium Property.
- 4.5 Limited Common Elements. The "Limited Common Elements" as the term is used herein, shall mean those portions of the Common Elements which are reserved herein, or assigned, or granted separately herefrom, for the use of a certain unit to the exclusion of other units, and shall include:

- 4.5.1 Any portions of the Common Elements, including but not limited to, conduits, ducts, plumbing, wiring and other facilities, for the furnishing of utility and other, services to a particular unit;
- 4.5.2 Any portion(s) of the Common Elements adjacent to the unit upon which is constructed or installed equipment necessary for the cooling and heating of the unit, including, but not necessarily limited to, air conditioners and heat pumps;
- 4.5.3 The Limited Common Element parking space or spaces assigned to a particular unit by the Developer, at Developer's sole discretion, upon the sale of that unit to that unit owner;
- 4.5.4 The Limited Common Element parking space or spaces assigned to a particular unit by the Developer upon the purchase of such space by a unit owner.
- 4.5.5 Any mailbox assigned to a particular unit;
- 4.5.6 Any balcony, lanai, terrace, porch or patio (and all improvements thereto) as to which direct and exclusive access shall be afforded to any particular unit or units to the exclusion of others. The structural integrity of balconies is affected adversely by water intrusion and rusting aggravated by the water retention qualities of indoor-outdoor carpet, river rock, and unglazed ceramic tile and its grout. For this reason, no indoor-outdoor carpet or river rock may be used on balconies and terraces, and all tile and its bedding and grout must be of such materials and so applied as to be waterproof. Any flooring installed on the balconies or terraces of a Unit shall be installed so as to ensure proper drainage.
- 4.5.7 Light and electrical fixtures outside the unit or attached to the exterior walls of the unit and which solely serve such unit; and
- 4.5.8 Any Limited Common Element storage area or storage box assigned to a particular unit by Developer, at Developer's sole discretion, upon the sale of that storage area to a unit owner.
- 4.5.9 Developer hereby reserves the exclusive right, for so long as Developer owns any unit in the Condominium, to assign Limited Common Element parking spaces, enclosed garage areas, and storage areas in connection with Developer's offering and sale of units to third parties. Developer shall be permitted to undertake any and all such assignments for consideration paid by a purchaser in addition to the purchase price of the unit, and the Association shall have no claim or right to any such funds associated with assignment of a Limited Common Element. Subsequent to the conveyance of a particular unit, Developer, for so long as Developer owns any unit in the Condominium, further reserves the right to assign additional Limited Common Elements to the owner of such unit as Developer desires in its sole discretion. At such time as any Limited Common Element parking space or storage area is assigned by Developer to any unit owner, the Limited Common Element parking space or storage area so assigned may be transferred by the unit owner

separate from ownership of the unit to which it was originally assigned only if such transfer is to another unit owner.

- 4.6 **Developer Reserved Areas.** Developer, for itself and its various successors, assigns, grantees, nominees, and designated agents (collectively the "DRA Operator"), hereby expressly excepts from the area which is submitted to condominium ownership unto itself in perpetuity any certain area shaded and specifically designated as a "Developer Reserved Area" or "DRA" on the floor plans which are a part of Appendix "A." The "Developer Reserved Areas" are **expressly excepted** in this Declaration from the Condominium Property submitted to condominium ownership and are expressly not part of the Condominium (any "Developer Reserved Area" or "DRA" referred to hereinafter as a "Developer Reserved Area" and collectively such areas are referred to as "Developer Reserved Areas"). The "Developer Reserved Areas" are owned by and under the sole control of Developer and are not facilities that qualify wider Florida Statutes Section 718.504(18). The DRA Operator shall maintain at its own cost and expense the interior of any "Developer Reserved Area," and shall be responsible for all expenses for services, including, utilities related to the use thereof. Developer shall have the right to sell or lease any part or all of the DRA, to any third party, which third party will pay a common area maintenance charge to the Association according to the Covenants, Conditions and Restrictions ("Covenants") to be recorded in the public records of Leon County, Florida. The DRA Operator will indemnify and hold harmless the Association and the unit owners against any and all damages and/or casualties directly related to and arising from the Developer Reserved Areas. The Association and unit owners shall have no right to any use of any "Developer Reserved Area" by virtue of ownership of a unit.

## 5 **OWNERSHIP.**

- 5.1 **Type of Ownership.** Ownership of each Condominium unit shall be in fee simple pursuant to and subject to this Declaration. No timeshare interests shall be created or sold.
- 5.2 **Association Membership.** The owners of record of the units shall be members of The Tennyson Homeowners Association, Inc., (the "Association") (See Section 13 below.) There shall be one (1) membership for each unit and if there is more than one (1) record owner per unit, then such membership shall be divided among such owners in the same manner and proportion as is their ownership in the unit.
- 5.3 **Unit Owner's Rights.** The owner of the unit (and including only the "Family" (as defined below) of the unit owner, provided that the unit owner resides with his/her "Family") is entitled to the exclusive possession of the unit. The unit owner shall be entitled to use the Common Elements in accordance with the purposes for which they are intended, but no such use shall hinder or encroach upon the lawful rights of other unit owners. When a unit is leased by the unit owner, a tenant shall have all the possession and use rights in the unit, Common Elements and Limited Common Elements, generally by unit owners. A unit owned by a corporation, partnership, trust, or other fiduciary may only be

occupied by the following persons, and such person's Families: (i) an officer, director, stockholder, employee or designee of such corporation, (ii) a partner, employee or designee of such partnership, (iii) the fiduciary or beneficiary of such fiduciary, (iv) permitted occupants under a lease of the unit, as the case may be, or (v) the guests of any of the forgoing. Occupants of a leased unit must be the following persons, and such person's Families who reside with them: (i) a unit owner's guest, (ii) an individual lessee, (iii) an officer, director, stockholder, employee or designee of a corporate lessee, (iv) a partner, employee or designee of a partnership lessee, or (v) a fiduciary or beneficiary of a fiduciary lessee. The provisions of this Section 5.3 shall not be applicable to units used by the Developer for model apartments, guest accommodations, sales or other offices or management services. The terms "Family" or "Families" or words of similar import shall mean (a) one or more persons each related to the unit owner within the first degree, marriage, or legal adoption, or (b) a group of not more than three persons not all so related who maintain a common household in a unit.

6 **RESTRAINT UPON SEPARATION AND PARTITION OF COMMON**

**ELEMENTS.** The title of each Condominium unit shall include both the Condominium unit and an undivided interest in the Common Elements; said undivided interest in the Common Elements is deemed to be conveyed or encumbered with its respective Condominium unit, even though the description in the instrument of conveyance may refer only to the title to the Condominium unit. The appurtenant share in the Common Elements and Common Surplus cannot be conveyed or encumbered, except together with the unit. Any attempt to separate and/or any action to partition the title to a Condominium unit from the undivided interest in the Common Elements, Common Surplus appurtenant to each unit, shall be null and void.

7 **PERCENTAGE OF OWNERSHIP OF COMMON ELEMENTS.** Each of the unit owners of the Condominium shall own an undivided interest in the Common Elements according on an equal fractional share being 1/90. See to the "Schedule of Shares" attached hereto as Appendix "B."

8 **COMMON EXPENSES AND COMMON SURPLUS.** The Common Expenses to be borne by each unit owner shall be a proportionate share of the total expenses and costs of the Association. Each unit owner shall be responsible for a portion of the common expenses and costs, and such share shall be in the percentage of the undivided share in the Common Elements to his unit as set forth in Appendix "B" of this Declaration. Common Expenses shall include without limitation the cost of a master television antenna system or duly franchised cable television service or other innovations (including a satellite) for television reception obtained pursuant to a bulk contract. Each unit will be separately billed for electricity and each unit owner shall pay directly for the electricity service to the unit. Any Common Surplus of the Association shall be owned by each of the unit owners in the same proportion as their percentage liability for Common Expenses.

9 **MAINTENANCE, ALTERATIONS AND IMPROVEMENTS.** Responsibility for the maintenance of the Condominium Property and restrictions upon its alterations and improvements shall be as follows:

9.1 **Units.**

9.1.1 **By the Association.** The Association shall maintain, repair and replace at the Association's expense:

9.1.1.1 All portions of the Condominium building contributing to the support of the Condominium building, which portions shall include, but not be limited to, outside walls of the Condominium building and all fixtures on its exterior, those portions of boundary walls not a part of a unit; floor and ceiling slabs; load-bearing columns and load-bearing walls.

9.1.1.2 All conduit, ducts, plumbing, wiring and other facilities for the furnishing of utility services contained in the Common Elements; and all such facilities contained within a unit that service part, or parts, of the Condominium other than the unit within which contained.

9.1.1.3 All incidental damage caused to a unit by such work immediately above-described shall be repaired promptly at the expense of the Association.

9.1.1.4 All Common Elements of the Condominium

9.1.1.5 The costs of the aforementioned maintenance shall constitute Common Expenses. With respect to the Common Elements other than the limited Common Elements, the Developer, upon substantial completion of the Condominium, will deliver a maintenance manual (the "Manual") suggesting periodic inspections and required maintenance on mechanical, electrical, plumbing HVAC and other component systems including but not limited to roofing, windows/glazing, sealants, hardware, plumbing and other equipment serving the Condominium. The Association shall, as a common expense, perform such periodic inspections as recommended in the Manual on a timely basis, and shall, as a common expense, perform necessary maintenance when recommended in the Manual or as a result of such inspections. To the fullest extent permitted by law, the Association waives any claim, cost and right of recovery against the Developer, and its architect, consultants and contractors, to the extent any damage is caused by the failure of the Association to conduct such recommended periodic inspections and undertake the necessary maintenance recommended in the Manual or as a consequence of the inspections.

9.1.2 **By the Unit Owner.** The responsibility of the unit owner to maintain, repair and replace shall be as follows:

9.1.2.1 To keep and maintain his unit, its equipment and appurtenances in good working order, condition and repair, and to perform promptly all maintenance and repair work within the unit which, if omitted, would affect the Condominium in its entirety or in a part belonging to others, with the unit owner being expressly responsible for the damages and liability which his failure to do

so may cause. Notwithstanding anything contained in this Declaration, the owner of each unit shall be liable and responsible for the maintenance, repair and replacement, as the case may be, of all windows and exterior doors, including sliding glass doors, storm doors and windows, and all air-conditioning and heating equipment, whether located with or without the unit, stoves, refrigerators, fans and other appliances and equipment, including pipes, wiring, ducts, fixtures and/or their connection required to provide water, light, power, air-conditioning and heating, telephone, sewage and sanitary service to his unit which may now or hereafter be situated in his unit. Provided, however, should a unit owner not repair or replace a broken window, exterior door, sliding glass door, or storm door and window within 12 hours of its having been broken, then the Association shall have the right and authority to cause the same to be fixed, repaired or replaced, at the sole expense of the unit owner, and such expense shall be due and owing from the unit owner to the Association, and the payment of the same shall be secured by a lien against said unit.

9.1.2.2 To maintain, repair and replace any and all walls, ceilings and floor interior surfaces, painting, decorating, furnishings and all other accessories which such owner may desire to place and maintain in his unit. Provided, however, that notwithstanding the foregoing, no unit owner shall be permitted to install, maintain, or permit to exist, any floor tile, floor stone, or other floor covering, except for carpeting having the same specifications as the originally installed carpet, in the dining room, living room, bedrooms, or any other area originally designed for carpeting, without first installing and maintaining a floor soundproofing material that meets the specifications of the Association. Thus restriction is necessary so as to not disturb the unit owner on the floor below.

9.1.2.3 Where applicable, to maintain and keep in a neat and trim condition the floor, interior walls, railings, columns, and balconies.

9.1.2.4 To promptly report to the Association any defect or need for repairs for which the Association is responsible.

9.1.2.5 Plumbing and electrical repairs to fixtures and equipment located within a unit and exclusively servicing a unit shall be paid for and be a financial obligation of the unit owner.

9.1.2.6 The Association has the irrevocable right of access to each unit during reasonable hours, when necessary, for the maintenance, repair or replacement of any Common Elements or of any portion of a unit to be maintained by the Association pursuant to

the Declaration or as necessary to prevent damage to the Common Elements or to a unit or units.

9.1.2.7 Not to change the paint color or otherwise decorate or change the appearance of any portion of the exterior of the Condominium building and/or property.

9.1.2.8 To keep clean and in orderly condition those Limited Common Elements which are assigned or granted to a particular unit to the exclusion of other units. The cost shall be borne by the owner or owners of the unit to which the same are appurtenant.

9.1.2.9 To maintain, repair and replace, at owner's expense, the heating and air-conditioning unit and all of its parts, serving only his unit.

9.1.2.10 Each unit owner also shall be responsible for replacing the necessary light bulbs for the foregoing light fixtures with the same color and bulb wattage.

9.1.3 **Alterations and Improvements.** Except as elsewhere reserved to the Developer, neither a unit owner nor the Association shall make any addition to or alteration in the portions of a unit that are to be maintained by the Association, remove any portion of such, make any additions to them, and/or do anything that would jeopardize the safety or soundness of the building, or impair any easement, without first obtaining approval of the Board of Directors of the Association responsible for the administration of the Association ("Board of Directors"). A copy of plans for all such work prepared by an architect licensed to practice in this state shall be filed with the Association prior to the start of the work. A unit owner making or causing to be made any such additions, alterations or improvements to the unit or the Limited Common Elements as contemplated herein agrees, and shall be deemed to have agreed, for such owner, and such owner's heirs, personal representatives, successors and assigns, as appropriate, to hold the Association and all other unit owners harmless from and to indemnify them for any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance and repair thereof from and after that date of installation or construction thereof as may be required by the Association.

## 9.2 Common Elements.

9.2.1 **By the Association.** The maintenance and operation of the Common Elements, including the repair, maintenance and replacement of landscaping and other improvements and facilities, shall be the responsibility of the Association as a common expense.

9.2.2 **Alterations and Improvements.** There shall be no alteration or further improvement of the real property constituting the Common Elements without prior approval, in writing, by not less than a majority of the record owners of the Common Elements of The Tennyson, a Condominium, if the cost of same shall be a common expense which

exceeds in cumulative expenditure for the calendar year the sum of \$20,001.00. Any such alteration or improvement shall not unreasonably and materially interfere with the rights of any unit owner without his consent. Any such alteration or improvement that does not exceed in cumulative expenditure for the calendar year, the amount of \$20,000.00, may be made by the Board of Directors without approval of the unit owners.

9.2.3 **Land Acquisition.** After all planned improvements are completed, any real interest in land acquired by the Association (herein "acquired land") may be added to the land submitted to condominium ownership hereby. This may be done by an amendment to this Declaration that includes the description of the acquired land, and submits the said land to condominium ownership under the terms of this Declaration. The amendment shall be executed by the Association and adopted by the unit owners in the manner elsewhere provided. Such amendment, when recorded in the public records of Leon County, Florida, shall divest the Association of title to the acquired land and shall state that it conveys all interest of the Association to and vests title in the unit owners, without naming them and without further conveyance, in the same proportion as the undivided shares in the Common Elements appurtenant to the units owned by them.

9.2.4 **Land Not Incorporated.** Any land or leasehold, real estate, or sub-real estate acquired by the Association that is not incorporated into the land by amendment of this Declaration, may be sold or mortgaged or otherwise disposed of by the Association after approval, in writing, by the record unit owners of not less than seventy-five percent (75%) of the Common Elements of The Tennyson, a Condominium. This approval shall be evidenced by a certificate stating that the approval was duly given, which certificate shall be executed by the officers of the Association with the formalities of a deed and delivered to a purchaser or mortgagee of such land.

9.2.5 **Personal Property.** Any personal property acquired by the Association may be sold or mortgaged or otherwise disposed of by the Association.

9.3 **Limited Common Elements.**

9.3.1 All maintenance, repairs, replacements and reconstructions of, in or to any Limited Common Elements, whether structural or nonstructural, ordinary or extraordinary (including, without limitation, maintenance, repair, replacement and reconstruction of any balcony and/or terrace, any tile on the balcony and/or terrace, porch or patio; and the storage areas, including, without limitation doors, locks, sheetrock, painting, electrical) shall be performed by the unit owner at such unit owner's sole cost and expense, except as otherwise expressly provided to the contrary herein.

9.3.2 Notwithstanding the above, the Association shall be solely responsible for insuring any portions of the Limited Common Elements appurtenant

to a unit, and to the extent any reconstruction, repair, or maintenance is required due to casualties or other causes against which the Limited Common Elements are insured, the unit owners will receive the benefit of any proceeds payable to the Association, as appropriate.

9.3.3 Notwithstanding the above maintenance, repair, and replacement obligations relative to attached balconies, which are Limited Common Elements appurtenant to units, individual unit owners shall not be responsible for structural defects or problems, including leaks. Repairs to balconies of structural defects or problems, including leaks, shall be an Association expense.

9.3.4 Notwithstanding the fact that individual parking spaces are classified as Limited Common Elements, all improvements, maintenance, etc., for the parking levels and the parking spaces shall be the obligation of the Association.

9.4 Additions, Alterations or Improvements by Developer. The restrictions of Section 9 hereof shall not apply to Developer-owned units. The Developer shall have the additional right, without the consent or approval of the Board of Directors or other unit owners, to make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to and upon any unit owned by it, to the proposed or already constructed unit located or to be located thereon, and Limited Common Elements appurtenant thereto. Such modifications shall include, without limitation: (i) the removal or addition of walls, floors, ceilings and other structural portions of the unit; and (ii) changes to the layout or number of rooms in any Developer-owned units. Any amendments to this Declaration or the Condominium Plat required by actions taken pursuant to this Section may be effected by the Developer alone without the consent of any other person; provided, however, if any such amendment shall change the configuration or size of any unit in any material fashion, materially alter or modify the appurtenances to the unit, or change the proportion or percentage by which the unit owner shares the common expenses and owns the Common Surplus, the execution of the amendment to the Declaration effecting such change must be joined in by the record owners of the unit, all record owners of liens on the affected unit, and approved by the record owners of all other units in The Tennyson, a Condominium. The provisions of this Section may not be added to, amended or deleted unless by, or with the prior written consent of, the Developer.

10 USE RESTRICTIONS. The use of the Land shall be in accordance with the following provisions:

- 10.1 Units. Each of the units shall be occupied only by an owner, the unit owner's Family, guest(s) or tenants (s), "Family", as a residence and for no other purpose.
- 10.2 No Subdividing. Except as reserved to the Developer, no unit may be divided or subdivided into a smaller unit nor any portion thereof sold or otherwise transferred without first amending this Declaration to show the changes in the units to be affected thereby.

- 10.3 **Exterior Windows, Walls and Doors.** Except for commercial signage as expressly reserved to the Developer under this Declaration, nothing shall be hung, displayed or placed on the exterior walls and doors, or on either the exterior or interior of windows, of the unit or the Condominium building without the prior written consent of the Board of Directors of the Association, and from the Developer. All exterior windows shall be free from obstructions except curtains or drapes lined in white or beige or off-white, or blinds showing exterior in white or beige or off-white.
- 10.4 **No Clotheslines.** No clotheslines or similar devices shall be allowed on any porches, stoops or balconies of the Condominium units or any other part of the Condominium Property.
- 10.5 **Structural Additions and Alterations.** No owner shall make, allow or cause to be made any structural addition or alteration of his unit, the Common Elements, or the Limited Common Elements, without the prior written consent of the Board of Directors of the Association.
- 10.6 **Common Elements.** The Limited Common Elements and the Common Elements, together with any Limited Common Element parking spaces or storage areas, shall be used only for the purpose for which they are intended.
- 10.7 **Nuisances.** No nuisances shall be allowed upon the Condominium Property, nor any use or practice which is the source of annoyance to residents or which interferes with the peaceful possession and proper residential use of the property by its residents. All parts of the property shall be kept in a clean and sanitary condition and no rubbish, refuse or garbage shall be allowed to accumulate nor any fire hazard allowed to exist. No unit owner shall permit any use of his unit, the Common Elements or the Limited Common Elements which will increase the cost of insurance upon the Condominium Property.
- 10.8 **Lawful Use.** No immoral, improper, offensive or unlawful use shall be made of the Condominium Property or any part thereof; and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair of the Condominium Property shall be the same as the responsibility for the maintenance and repair of the property concerned.
- 10.9 **Signs.** No signs (including without limitation "for lease" and "for sale" signs) shall be displayed from any unit, Limited Common Elements or on the Common Elements, except such signs as shall have advance written approval by the Board of Directors of the Association, and the Developer, and any such signs which may be required by Developer from time to time for the development, marketing, rental, and sales of units within the Condominium Property.
- 10.10 **Animals.** Only a unit owner, a unit owner's Family, guest or tenant shall have the right to keep or maintain any pet in any unit or upon any portion of the Condominium Property. The Association shall have the right to adopt and enforce such additional reasonable pet regulations, including the number and type of such pets, where such pets may be kept, leash restrictions, "clean up"

requirements, and such other rules as are reasonably necessary to ensure that such pets are not and do not become a nuisance.

- 10.11 **Parking.** All parking rights are subject to and contingent on the rules, regulations and restrictions of the Association, as amended from time to time. Only operable automobiles, vans constructed as private passenger vehicles, and pick up trucks used as private passenger vehicles, having an appropriate coat of paint, may be parked overnight on the Condominium Property without the prior written consent of the Association. No skateboard shall ever be operated on the Condominium Property. No boat, boat trailer, trailer, motor home, mobile home, truck (other than a passenger vehicle), commercial vehicle of any kind, or any other machine, equipment or apparatus shall be permitted to be parked or operated on any of the Condominium Property without the prior written consent of the Association. Parking is limited to one space per vehicle, and no vehicle may occupy more than one space. No designated parking space shall be used as a site to store or repair/overhaul any vehicle, equipment or machine, and no motor vehicle or boat repair work shall be conducted on any portion of the Condominium Property in view of other residences. This restriction, with respect to parking, does not apply to the Developer in the performance of activities authorized by the Condominium Declaration and does not apply to commercial vehicles, machines, and equipment required to perform construction, maintenance, or refurbishing or repair services to a unit or building for the period of time reasonably necessary for such construction, maintenance, refurbishing or repair.
- 10.12 **Rules and Regulations.** Subject to the terms and conditions of the Declaration, reasonable rules and regulations concerning the use of the Condominium Property may be made and amended from time to time by the Association in the manner provided by its Articles of Incorporation and Bylaws and by the Association. Copies of such regulations and amendments thereto shall be furnished by the Association to all unit owners and residents of the Condominium Property upon request. The Association shall pass rules and regulations regarding the display of flags as are required by Florida Statutes.

In the event a mortgagee endorsement has been issued as to a unit, the share of the unit owner shall be held in trust for the mortgagee and the unit owner as their interests appear. In no event shall any mortgagee have the right to demand the application of insurance proceeds to any mortgage or mortgages which it may hold against units and no mortgagee shall have any right to participate in the determination as to whether or not improvements will be restored after casualty.

14.8 Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the beneficial owners in the following manner:

14.9 Expense of the Trust. All expenses of the Insurance Trustee shall be first paid or provisions made therefore.

14.9.1 **Reconstruction or Repair.** If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the costs thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to all unit owners and their respective mortgagees, if any, in proportion to their undivided share of the Common Surplus.

14.9.2 **Failure to Reconstruct or Repair.** If it is determined, in the manner elsewhere provided, that the damages for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to all unit owners and their respective mortgagees, if any, in proportion to their "termination share" as defined in Section 20, remittances to unit owners and their mortgagees being payable jointly to them. This is a covenant for the benefit of any mortgagee of a unit and may be enforced by such mortgagee.

14.9.3 **Certificate.** In making distribution to unit owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association made by the President and Secretary as to the names of the unit owners and their mortgagees and their respective shares of the distribution.

14.9.4 **Association as Agent/Limitation of Liability.** The Association is hereby irrevocably appointed agent and attorney-in-fact for each unit owner and for each owner of a mortgage upon a unit to adjust all claims arising under insurance policies purchased by the Association and to

execute and deliver releases upon the payment of claims. Neither the association nor the Board of Directors, nor any individual directors or officers shall have any liability or responsibility in the event of any failure by an insurance company to make payment as required by the terms of the insurance policy, or if coverage is not sufficient to cover the damage or liability.

15 **RECONSTRUCTION OR REPAIR AFTER CASUALTY.**

15.1 **Determination to Reconstruct or Repair.** If any part of the Condominium, Property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

15.1.1 **Common Element.** If the damaged improvements is a Common Element, the damaged property shall be reconstructed or repaired, unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

15.1.2 **Condominium Building.**

15.1.2.1 Lesser Damage. If the damaged improvement is a part of the Condominium building, and if units to which forty percent (40%) of the Common Elements are appurtenant are found by the Board of Directors of the Association to be tenantable, the damaged property shall be reconstructed or repaired unless, within ninety (90) days after the casualty, it is determined in the manner elsewhere provided that the Condominium shall be terminated.

15.1.2.2 Major Damage. If the damaged improvement is a part of the Condominium building, and if units to which more than forty percent (40%) of the Common Elements are appurtenant are found by the Board of Directors of the Association to be not tenantable, then the damaged property will not be reconstructed or repaired and the Condominium will be terminated, as elsewhere provided unless, within one hundred-twenty (120) days after the casualty, the record owners of seventy-five percent (75%) or more of the Common Elements of The Tennyson, a Condominium, agree, in writing, to such reconstruction or repair.

15.2 **Certificate.** The Insurance Trustee may rely upon a certificate of the Association made by the President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

15.3 **Plans and Specifications.** Any reconstruction or repair must be substantially completed in accordance with the plans and specifications for the original buildings or, if not, then according to plans and specifications approved by the Board of Directors of the Association.

15.4 **Responsibility.** If the damage is only to those parts of one (1) unit for which the responsibility of maintenance and repair is that of the unit owner, then the unit owner shall be responsible for coordination of the reconstruction and repair after casualty, which reconstruction and repair shall be effected promptly and in accordance with guidelines established by the Board of Directors. Each unit

owner shall have the absolute responsibility of applying insurance proceeds, arising as a result of flood, fire or other casualty damage to the unit to the repair and/or reconstruction of such unit; provided, however, that no unit owner shall have the responsibility of applying insurance proceeds to the repair and/or reconstruction of the respective units if the Condominium is terminated in accordance with the provisions of Section 20 herein. In all other instances, the responsibility for coordination of construction or repair after casualty shall be that of the Association.

- 15.5 Estimates of Costs. Immediately after a casualty causing damage to property for which the Association has the responsibility for maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.
- 15.6 Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against all unit owners in sufficient amounts to provide funds to pay the estimated costs. Such assessments shall be in proportion to the unit owner's share in the Common Elements.
- 15.7 Deductible Provision. The funds necessary to cover any deductible amount under an insurance policy against which a claim is made shall be a common expense.
- 15.8 Construction Funds. The funds for payment of costs of reconstruction and repair after casualty which shall consist of proceeds of insurance held by the Association and from assessments against unit owners, shall be disbursed by the Association or the Management Company, if any, in payment of such costs in the following manner:
- 15.9 Association. If costs of reconstruction and repair which are the responsibility of the Association are more than Fifty Thousand Dollars (\$50,000.00), then the sums paid upon assessments to meet such costs shall be deposited by the Association with the Insurance Trustee. In all other cases, the Association shall hold the sums paid upon such assessments and disburse the same in payment of the costs of reconstruction and repair
- 15.9.1 Unit Owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with the unit owner, shall be paid by the Insurance Trustee to the unit owner or, if there is a mortgagee endorsement, then to the unit owner and the mortgagee jointly.
- 15.9.2 Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than Fifty Thousand Dollars (\$50,000.00), then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request to the Insurance Trustee by a mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall

be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

15.9.3 **Association - Major Damage.** If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is more than Fifty Thousand Dollars (\$50,000.00), then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Directors of the Association and upon approval of an architect or engineer qualified to practice in the State of Florida and employed by the Association to supervise the work.

15.9.4 **Surplus.** It shall be presumed that the first monies disbursed in payment of costs for reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the owner of the fund in the manner elsewhere stated.

15.9.5 **Certificate.** Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by unit owners upon assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine the payee, nor the amount to be paid, nor to determine whether surplus funds to be distributed are less than the assessments paid by unit owners. Instead, the Insurance Trustee may rely upon a certificate of the Association made by its President and Secretary as to any or all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and the amount to be paid; provided, that when a mortgagee is herein required in this instrument to be named as payee, the Insurance Trustee shall also name the mortgagee as payee of any distribution of insurance proceeds to a unit owner and further provided that when the Association, or a mortgagee which is the beneficiary of an insurance policy the proceeds of which are included in the construction fund so requires, the approval of an architect named by the Association shall first be obtained by the Association upon disbursements in payment of costs of reconstruction and repair.

16 **ASSESSMENTS.** The Board of Directors shall from time to time, and at least annually, prepare and adopt a budget for the Condominium, determine the amount payable by the unit owners to meet the common expenses of the Condominium, including without limitation the pro rata portion of premiums for the insurance coverage, and the assessments (whether general, special, or otherwise) to be paid to the Association, and allocate and assess such expenses among the unit owners in accordance with the provisions of this Declaration and the Bylaws ("General Assessment"). The Board of Directors shall advise all unit owners promptly in writing of the amount of the General Assessment payable by each of them as determined by the Board of Directors as

aforesaid. The budget for common expenses shall include the reserves required by law or determined appropriate by the Board of Directors, the costs of carrying out the powers and duties of the Association and any other expenses designated as common expenses by the Act, this Declaration, the Articles of Incorporation, the Bylaws, and the applicable rules and regulations of the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board of Directors shall determine from time to time, and need not be restricted or accumulated. Any adopted budget for common expenses shall be subject to change by the Board of Directors, and the amount of the General Assessment shall be changed in accordance with such revised budget for common expenses to cover actual expenses at any time.

16.1 In addition to General Assessments, the Board of Directors may levy "Special Assessments" and "Capital Improvement Assessments" upon the following terms and conditions:

16.1.1 **"Special Assessments"** shall mean or refer to amounts levied against each owner and such owner's unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature that are not in the nature of capital improvements, together with other costs which are properly characterized as "Special Assessments" for purposes of this Declaration.

16.1.2 **"Capital Improvement Assessments"** shall mean and refer to amounts levied against each owner and such owner's unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from maintenance, repairs and replacement) of any capital improvements located or to be located within the Common Elements, together with other amounts levied against each owner and such owner's unit which are properly characterized as "Capital Improvement Assessments" for purposes of this Declaration.

16.1.3 Special Assessments and Capital Improvement Assessments may be levied by the Board of Directors and shall be payable in lump sums or installments, in the discretion of the Board of Directors; provided that, if such Special Assessments and Capital Improvement Assessments, in the aggregate in any year, exceed \$5,000.00 or cause the total assessments levied to exceed 115% of assessments for the preceding calendar year, the Board of Directors must obtain approval of a majority of the record owners of the Common Elements of The Tennyson, a Condominium, represented at a meeting duly called, noticed and held in accordance with the Bylaws and the Act. The General Assessments, Special Assessments and Capital Improvement Assessments, together with any and all other costs, assessments, and amounts levied against each owner and such owner's unit by the Association shall be collectively referred to hereinafter as the "assessments", and the Association assessments shall not be limited by the foregoing provisions.

- 16.2 Share of Assessments Each unit owner shall be liable for a proportionate share of the assessments and shall be entitled to an undivided share of the Common Surplus, such shares being set forth in Appendix "B." A unit owner, regardless of how title is acquired, including, without limitation, a purchaser at a judicial sale, shall be liable for all assessments and pro rata portions of insurance premiums coming due while he is the owner of a unit. Each assessment against a unit and all pro rata portions of insurance premiums shall also be the personal obligation of the owner at the time the assessment fell due.
- 16.3 Non-Waiver. The liability for assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by abandonment of the unit for which the assessment is made.
- 16.4 Interest; Application of Payment. Assessments and installments on such assessments paid on or before ten (10) days after the date when due shall not bear interest, but all sums not paid on or before ten (10) days after the date when due shall bear interest at the highest rate allowed by the laws of the State of Florida from the date when due, until paid. All payments upon account shall be first applied to interest and then to the assessment payment first due.
- 16.5 Lien for Assessments. The Association has a lien on each Condominium parcel to secure the payment of assessments. Except as otherwise provided, the lien is effective from and shall relate back to the recording of the original Declaration. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien in the public records of the county in which the Condominium unit is located.
- 16.5.1 To be valid, the lien must state the description of the Condominium unit, the name of the record owner, the name and address of the Association, the amount due, and the due dates. It must be executed and acknowledged by an officer or authorized agent of the Association, or its attorneys. No such lien shall be effective longer than one (1) year after the claim of lien was recorded unless, within that time, an action to enforce the lien is commenced. The one (1) year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the unit owner or any other person claiming an interest in the unit. The claim of lien shall secure all unpaid assessments that are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable attorneys' fees incurred by the Association incident to the collection process. Upon payment in full, the person making the payment is entitled to a recordable satisfaction of the lien. Any payment for unpaid assessments not received by the Association within fifteen (15) days of the due date for payment shall, in addition to interest, be charged an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each installment of the assessment for each delinquent installment that the payment is late.

- 16.6 Collection and Foreclosure. The Board of Directors may take such action as they deem necessary to collect assessments due the Association, by personal action or by enforcing the foreclosure of said lien, and may settle and compromise same, if in the best interest of the Association. Said lien shall be effective as and in the manner provided for by the Condominium Act, and shall have the priorities established by the Condominium Act. The Association shall be entitled to bid at any sale held pursuant to a suit to foreclose an assessment lien, and to apply as a cash credit against its bid, all sums due the Association covered by the lien enforced. In case of such foreclosure, if the unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent, and the expenses of the receiver shall be paid by the party that does not prevail in the foreclosure action.
- 16.7 Liability of Mortgagee, Lienor, or Judicial Sale Purchaser for Assessment. A unit owner, regardless of how his title has been acquired, including purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all assessments that become due while he is the unit owner. Additionally, a unit owner is jointly and severally liable with the previous owner for all unpaid assessments that came due up to the time of transfer of title. This liability is without prejudice to any right the owner may have to recover from the previous owner the amounts paid by the owner.
- 16.7.1 The liability of a first mortgagee or successor or assignees who acquire title to a unit by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that become due before the mortgagee's acquisition of title is limited to the lesser of:
- 16.7.1.1 The unit's unpaid assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or
- 16.7.1.2 One percent (1%) of the original mortgage debt. The provisions of this subsection shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discoverable by the mortgagee.
- 16.7.1.3 The person acquiring title shall pay the amount owed to the Association within thirty (30) days after transfer of title. Failure to pay the full amount when due shall entitle the Association to record a claim of lien against the unit and proceed in the same manner as provided in this Section 16.6 for the collection of unpaid assessments.
- 16.8 Assignment of Claim of Lien Rights. The Association may assign its claim and lien rights for the recovery of any unpaid assessment to such parties and under such requirements as provided for by the Act, and any other applicable laws.

- 16.9 **Unpaid Assessments - Certificate.** Any unit owner shall have the right to require from the Association a certificate showing the amount of unpaid assessments with respect to the Condominium unit. The holder of a mortgage or other lien shall leave the same right as to any Condominium unit upon which it has a lien. Any person other than the owner who relies upon such certificate shall be protected thereby.
- 16.10 **Priority of Lien.** Any lien of the Association for common expenses or assessments payable on or after the date of recordation of the first mortgage on any unit shall be subordinated to the lien of the first mortgage, except to the extent and in the amounts required by Florida law.
- 16.11 **Working Capital Fund.** A working capital fund shall be established by each purchaser paying a one-time start up fee for working capital in an amount that is equal to two (2) months Association dues for each unit. Each unit's share of the working capital fund will be collected and transferred to the Association at the time of closing of the sale of each unit and maintained in a segregated account for the use and benefit of the Association. The purpose of the working capital fund is to ensure that the Association Board of Directors will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board of Directors. Amounts paid into the working capital fund are not refundable and are not advance payments of regular assessment but a separate one-time payment for working capital. Notwithstanding the forgoing, no funds, including capital contributions or startup funds receivable from unit purchasers and payable to the Association or collected by the Developer on behalf of the Association shall be used to pay common expenses prior to the expiration of the period during which the Developer is excused from payment of assessments pursuant to Sec. 718.116(9)(a), F.S. The working capital fund may not be used by the Developer and may not be used during any period of time that the Developer is exempt from paying assessments pursuant to the provisions of Section 19.
- 17 **COMPLIANCE AND DEFAULT.** Each unit owner, and his successors, assigns, tenants, guests, invitees, and licensees, shall be governed by and shall comply with the terms of the Declaration, Articles of Incorporation, Bylaws, and rules and regulations adopted pursuant thereto and as amended from time to time (the "Rules and Regulations"), and said documents and Rules and Regulations as they may be amended from time to time.
- 17.1 The failure of unit owners, and their successors, assigns, tenants, guests, invitees, and licensees, to comply therewith shall entitle the Association, or any of the unit owners, to the following relief in addition to the remedies provided by the Condominium Act:
- 17.1.1 **Enforcement and Injunction.** To bring an appropriate legal action in a court of competent jurisdiction to either enforce the applicable Declaration, Articles, Bylaws, or Rules and Regulations or to prevent a violation thereof, and/or to seek monetary damages for a violation.
- 17.1.2 **Negligence.** A unit owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by the unit

owner's act, neglect or carelessness or by such conduct of the unit owner's Family, guests, employees invitees or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association.

17.1.3 **Costs And Attorneys' Fees.** In any proceeding arising because of an alleged failure of a unit owner or the Association to comply with the terms of the Declaration, the Bylaws and the Rules and Regulations as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be awarded by the court.

17.1.4 **No Waiver of Rights.** The failure of the Association or any unit owner to enforce a covenant, restriction or other provision of the Condominium Act, this Declaration, or any of the exhibits attached hereto, shall not constitute a waiver of the right to do so thereafter.

17.1.5 **Fines.** A Committee of Unit Owners (not the Board of Directors) may, upon notice and a hearing before said Committee, levy or charge any offending member a sum not to exceed One Hundred Dollars (\$100.00) for each infraction of the provisions of this Declaration, the Articles, Bylaws or Rules and Regulations of the Association. The fine hearing must be held in accordance with Sec. 718.303(3), F.S. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed \$1,000.00. No fine shall constitute a lien against the unit.

18 **AMENDMENT OF DECLARATION.** Except as elsewhere provided otherwise, this Declaration may be amended in the following manner:

18.1 **Notice.** Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

18.2 **Resolution of Adoption.** A resolution adopting a proposed amendment may be proposed by either the Board of Directors of the Association or by the members of the Association, at a meeting called for this purpose. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided such approval is delivered to the Secretary at or prior to the meeting. Except as elsewhere provided, such approval must be either by:

18.2.1 Not less than seventy-five percent (75%) of the votes of the entire membership of the Board of Directors and by not less than seventy-five percent (75%) of the votes of the record owners of the Common Elements of The Tennyson, a Condominium; or

18.2.2 Not less than eighty percent (80%) of the votes of the record owners of the Common Elements of The Tennyson, a Condominium; provided, however, that (1) no amendment to this Declaration shall be made which affects any of the rights and privileges provided to the Developer as defined herein without the written consent of such Developer, and (2) no amendment may change the configuration or size of any Condominium

unit in any material fashion, materially alter or modify the appurtenances to the unit, or change the proportion or percentage by which the owner of the parcel shares the common expenses and owns the Common Surplus unless the record owner of the unit and all record owners of liens on it join in the execution of the amendment and unless all the record owners of all other units approve the amendment. All amendments under this Section 18.2 shall be recorded and certified as required by the Act.

18.3 Resolution of Adoption for Errors or Omissions Not Materially and Adversely Affecting Property Rights of the Unit Owners. A resolution adopting a proposed amendment may be proposed by either the Board of Directors of the Association or by members of the Association whenever it appears that there is a defect, an omission or error in this Declaration or any exhibit attached hereto, or amendment hereto as follows:

- 18.3.1 Not less than fifty percent (50%) of the votes of the entire membership of the board of Directors and by not less than fifty percent (50%) of the votes of the record owners of the Common Elements of The Tennyson, a Condominium.
- 18.3.2 Any amendment adopted pursuant to the provisions of Section 18 shall not materially and adversely affect the property rights of unit owners.
- 18.3.3 Until the Developer has sold and conveyed all of the units in the Condominium, any amendment adopted, pursuant to Section 18, must be approved and consented to by the Developer.
- 18.3.4 The procedure in this Section 18 for amendment cannot be used if such an amendment would materially and adversely affect property rights of unit owners, unless the affected unit owners consent in writing. This Section 18 does not restrict the powers of the Association to otherwise amend the Declaration, or other documentation, but authorizes a simple process of amendment requiring a lesser vote for the purpose of curing defects, omissions or errors when the property rights of unit owners are not materially and adversely affected.
- 18.3.5 **Proviso.** No amendment shall materially and adversely discriminate against any unit owner or against any unit, or class or group of units, unless the unit owners so affected shall consent. No amendment shall change the configuration or size of any unit or the share in the Common Elements and other of its appurtenances or increase the owner's share of the common expenses, unless the owner of the unit concerned and all record owners of liens on it join in the execution of the amendment and unless all record owners of all other units approve the amendment. No amendment to this Declaration shall make any change, which would in any way affect any of the rights, privileges, powers and options of the Developer unless the Developer shall join in the execution of such amendment. With respect to any consent or joinder required from a mortgagee, such consent or joinder may not be unreasonably withheld.

18.4 Execution and Recording. A copy of each amendment shall be attached to or incorporated in a certificate certifying that the amendment was adopted, which

certificate shall be executed by the officers of the Association with the formalities of a deed. The amendment shall be effective when such certificate is recorded in the public records of Leon County, Florida.

- 18.5 Amendments regarding Termination of the Condominium. The Section concerning termination cannot be amended without consent of four-fifths (4/5ths) of all unit owners and four-fifths (4/5ths) of all record owners of mortgages upon Condominium units.

19 **DEVELOPER'S UNITS AND PRIVILEGES.**

- 19.1 Developer. The Developer, at the time of filing of this Declaration, is the owner of the real estate in the real property, individual units, and appurtenances comprising the Condominium. Therefore, the Developer, until all of the units have been sold and closed, shall be irrevocably empowered, notwithstanding anything herein to the contrary, to sell, lease or rent units to any person approved by the Developer. Developer shall have the right to transact upon the Condominium Property any business necessary to consummate the sale of units, including, but not limited to, the right to maintain models, have signs, staff employees, maintain offices (including without limitation management offices), use the Common Elements, and to entertain prospective purchasers and show units. Any sales office, signs, fixtures or furnishings, or other tangible personal property belonging to the Developer shall not be considered Common Elements and shall remain the property of the Developer.

- 19.2 Amendment of Condominium Plans and Declaration. The Developer reserves the right to change the interior design and arrangement of all units and to otherwise make whatever changes it may deem necessary in the Condominium drawings recorded herewith as Appendix "A" and this Declaration until such time as fifty-one percent (51%) of the units have been sold and closed. The amendment reflecting such changes need only be executed by the Developer; provided, however, that no such amendment unilaterally approved by the Developer shall change the configuration or size of any unit in any material fashion, materially alter or modify the appurtenances to the unit, or change the proportion or percentage by which the unit owner shares the common expenses and owns the Common Surplus, unless such amendment is also approved by at least a majority of the total voting interests of the Association, and unless the record owner of the unit and all record owners of liens on the unit join in the execution of the amendment.

- 19.3 Amendments to this Section 19. Notwithstanding anything herein to the contrary, none of the provisions of this Section 19 shall be subject to any amendment until the Developer has sold and closed on all of the units in the Condominium. In addition to any other method of amending this Declaration provided for elsewhere herein, Developer reserves the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends this Declaration (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing

Association, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities to make, purchase, sell, insure, or guarantee first mortgages covering unit ownerships, (iii) to bring this Declaration into compliance with the Condominium Act, (iv) to correct clerical or typographical errors in this Declaration or any exhibit hereto or any amendment thereto, or (v) to make any other non-material change in this Declaration or any exhibit hereto or any amendment thereto. This Declaration and all exhibits hereto, where applicable, may be amended unilaterally by the Developer for the purposes set forth and pursuant to Section 718.110(5), Florida Statutes, to correct scrivener's errors. In furtherance of the foregoing, an irrevocable power coupled with an interest is hereby reserved and granted to the Developer to make or consent to a Special Amendment on behalf of each owner, the Association, mortgagee or other lienholder. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a unit and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power of the Developer to make, execute and record Special Amendments. The reserved rights of the Developer under this Article shall terminate ten (10) years from the date of recording of the Declaration, or at the time of the conveyance of the last unit, whichever occurs first.

19.4 Developer Exempt From Assessments.

19.4.1 No owner of a unit may exempt the unit from liability for any assessment levied against such owner and his unit by waiver of the use of enjoyment of any of the Common Elements, or by abandonment of the unit, or in any other way.

19.4.2 Provided, however, the Developer shall be excused from the payment of the Developer's share of the common expenses and assessments with respect to each unit owned by the Developer for a period subsequent to the recording of the Declaration and terminating not later than the first day of the fourth (4th) calendar month following the month in which the closing of the purchase and sale of the first Condominium unit occurs, provided that the Developer shall be obligated to pay that portion of the common expenses incurred during the aforesaid period which exceeds the sum of the amount assessed against other unit owners.

19.5 Amendment to this Section 19. Notwithstanding anything herein to the contrary, this Section shall not be subject to any amendment until the Developer has sold and conveyed all of the units in The Tennyson, a Condominium.

19.6 Limitation. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer without the consent of said Developer in each instance. The provisions of this Section may not be amended in any manner.

19.7 Procedure. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of

this Declaration shall contain the full text of the provision to be amended, new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, rather, a notation must be inserted immediately preceding the proposed amendment in substantially the following language:

*"Substantial rewording of Declaration. See provision \_\_\_\_\_ for present text."*

Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

20 **TERMINATION.** The Condominium may be terminated in the following manner, in addition to the manner provided in the Condominium Act:

20.1 **Destruction.** In the event that it is determined in the manner elsewhere provided that the Condominium building shall not be reconstructed because of major damage, the condominium plan of ownership will be thereby terminated without agreement.

20.2 **Agreement.** The Condominium may be terminated by the approval, in writing, of all of the owners of the units therein and by all record owners of mortgages thereon. If the proposed termination is submitted to a meeting of the members of the Association, the notice of which meeting gives notice of the proposed termination, and if the approval of the owners of not less than seventy-five percent (75%) of the Common Elements, of the record owners of all mortgages upon the units, are obtained, in writing, not later than thirty (30) days from the date of such meeting, then the approving owners shall have an option to buy all of the units of the other owners for the period ending on the sixtieth (60th) day from the date of such meeting. Such approvals shall be irrevocable until the expiration of the option and, if the option is exercised, the approval shall be irrevocable. Such option shall be upon the following terms:

20.2.1 **Exercise of Option.** The option shall be exercised by delivery or mailing by certified mail, to each of the record owners of the units to be purchased, of an agreement to purchase, signed by the record owners of units who will participate in the purchase. Such agreement shall indicate which Condominium unit will be purchased by each participating owner and shall provide for the purchase of all of the units owned by owners not approving the termination, and the effect of said agreement shall be to create a separate contract between each seller and his purchaser.

20.2.2 **Price.** The sale price for each unit shall be the fair market value determined by agreement between seller and purchaser within thirty (30) days from the delivery or mailing of such agreement and, in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two (2) MAI appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the unit; and a judgment of specific performance of the sale upon the award rendered by

the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

20.2.3 **Payment.** The purchase price shall be paid in cash.

20.2.4 **Closing.** The sale shall be closed within thirty (30) days following the determination of the sale price.

20.3 **Certificate.** The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association, executed by the President and Secretary, certifying as to the facts, effecting the termination, which certificate shall become effective upon being recorded in the public records of Leon County, Florida.

20.4 **Shares of Owners After Termination.** After termination of the Condominium, unit owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares, and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the unit owners. Such undivided shares of the unit owners shall be known as "termination shares" and shall be ascertained as follows:

20.4.1 The Board of Directors, upon advisement by one or more independent appraisers, shall determine the face value of each unit and appurtenances thereto prior to termination and of the total Condominium Property prior to termination. The total value of all units and appurtenances thereto shall equal the value of the Condominium Property.

20.4.2 The undivided share of each unit owner after termination shall equal the appraised value of his unit and appurtenances thereto divided by the appraised value of the total Condominium Property terminated.

20.4.3 The undivided share of each unit owner after termination shall be referred to as a "termination share." After termination, the "termination share" shall be payable to the Secretary of the Association by each such owner. The words "termination share" shall be substituted for the words "share in the Common Elements" or similar phrases used in this Declaration in order to ascertain the rights and duties of the holders of termination shares.

21 **SEVERABILITY AND INVALIDITY.** The invalidity in whole or in part of any covenant or restriction, or any section, subsection, paragraph, subparagraph, sentence, clause, phrase or word, or other provision in this Declaration or the exhibits thereto including the Articles of Incorporation, Bylaws and Rules and Regulations of the Association shall not affect the validity of the remaining portions.

21.1 If any court shall hereafter determine that any provisions of this Declaration of Condominium, as originally drafted or as amended, violates the rule against perpetuities or any other rule of law because of the duration of the period involved, the period specified in the Declaration shall not thereby become invalid but, instead, shall be reduced to the maximum period allowed under such rules of law and for such purpose measuring lives shall be those of the incorporators of the Association.

22 **CONDEMNATION.** Any condemnation of any portion(s) of the Condominium Property shall be governed by the following provisions:

- 22.1 Deposit of Certain Condemnation Awards with Insurance Trustee. Condemnation awards pertaining to the taking of Common Elements shall be paid over by each unit owner to the Insurance Trustee for use as noted hereinafter in this Section. In the event the unit owner fails to turn over such award as required, the defaulting unit owner shall be charged the maximum interest which does not constitute usury under Florida law until such amount is fully paid. Condemnation awards pertaining to the condemnation of Units shall not be the property of the Association.
- 22.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for in Section 15 herein for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.
- 22.3 Disbursement of Funds. If the Condominium is terminated following a condemnation, the proceeds of the awards pertaining to the condemnation of Common Elements will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of any such awards shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee after a casualty, or as elsewhere in this Section specifically provided.
- 22.4 Condemnation of Common Elements. Awards for the taking of portions of the Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed, after adjustments to these shares on account of the condemnation in accordance with subsection 22.7, to each unit owner by check made payable jointly to such unit owner and its respective mortgagee(s), in accordance with the provisions of this Declaration.
- 22.5 Condemnation of a Unit. If there is a taking of a unit, the respective unit owner shall not be required to utilize any portion of the condemnation award with regard to reconstruction of the unit. Following such taking of a unit and the recording of a deed to the condemning authority, (1) the affected unit owner shall no longer have an ownership interest in the unit or an undivided ownership interest in the Common Elements, and (2) such unit owner shall no longer be responsible for the payment of Common Expenses. The following changes shall be made in the Condominium following a taking as described in this Section.
- 22.6 Addition to Common Elements. The remaining portion of the unit, if any, shall become part of the Common Elements and shall be placed in a condition

allowing, to the extent possible, for use by all of the unit owners in the manner approved by the Board of Directors.

22.7 **Adjustment of Shares.** The shares in the Common Elements, common expenses and Common Surplus appurtenant to the units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, common expenses and Common Surplus among the reduced number of unit owners (and among reduced units). This distribution shall be determined by taking the fractional or percentage share of each unit owner in proportion to the number of units remaining in the Condominium.

22.8 **Assessments.** If the Association does not have the funds necessary to alter the remaining portion of the condemned unit for use as a part of the Common Elements, the additional funds for such purposes shall be raised by assessments against all of the unit owners who will continue as owners of units after the changes in the Condominium effected by the taking. The assessments shall be made in proportion to the applicable percentage shares of those owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

22.9 **Amendment of Declaration.** The changes in traits, in the Common Elements and in the ownership of the Common Elements and share in the common expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by, and executed upon the direction of, a majority of all members of the board of Directors.

23 **LEASING RIGHTS.** If a unit owner shall lease his unit, he shall remain liable for the performance of all agreements and covenants in the Declaration, and shall be liable for the violations by his lessee of any and all use restrictions.

23.1 Subject to the right of the Association to establish from time to time minimum standards and operating guidelines for any management company retained by the Association or any unit owner to manage the leasing of any unit within the Condominium Property, entire units may be leased by the unit owners in accordance with the following:

23.1.1 Such lease and the rights of any tenant thereunder are hereby expressly subject to the provisions of the Condominium Documents and the power of the Association to prescribe reasonable rules and regulations relating to the lease of units and to enforce the same directly against such tenant or other occupant by the exercise of such remedies as the Board of Directors deems appropriate, including eviction; provided, however, that any rules or regulations promulgated by the Association shall set a minimum rental period of one month; provided, however, any such rule and regulations may not materially and unreasonably limit the practicability of a unit owner to lease the unit. All lease agreements must be in writing and copies available to the Association upon reasonable notice. The Association shall have the right to approve leasing agents, in its reasonable discretion, and may prohibit the rental of a unit by a leasing agent who does not provide tenants with appropriate information, who permits overloading of the unit or who has, in the past, failed to

cooperate with the Association in resolving tenant violations, or whose tenants have shown a pattern of tenant violations. Anything to the contrary notwithstanding, the Developer, and its assigns, retain the right to maintain sales offices, management offices, leasing and operations offices, and models on the Condominium Property, and to use the "Developer Reserved Areas" as otherwise set forth in this Declaration.

- 24 **RESTRICTIONS ON SALES.** To assure a community of congenial residents and occupants and protect the value of the apartments and to further the continuous harmonious development of the condominium community, the sale and/or mortgage of units shall be subject to the following provisions which shall be covenants running with the Land so long as the condominium property shall be subject to the condominium form of ownership under the laws of the State of Florida.

24.1 No Unit owner may dispose of his Unit or any interest therein by gift, sale, or in any other manner, except to his spouse or lineal descendants, ascendants or sibling, or to any other member of the Association, without first providing the Association with written notice of his intention to so dispose of his Unit, said notice to include the name and address of the intended grantee of the Unit and such other information as the Association may reasonably require, including the terms of the transaction. The giving of such notice shall constitute a warranty and representation by the Unit owner that he believes the transfer proposal, or that his intent to make a gift, is bona fide in all respects.

24.2 Except as else where provided in this Declaration, no sale, gift, or conveyance, or transfer by any other manner of a condominium Unit shall be valid without the approval of the Association, which approval shall not be unreasonably withheld. Approval shall be by a Certificate of Approval, in recordable form, signed by the president, vice president, or secretary of the Association and shall be delivered to the purchaser, grantee, or lessee and made a part of the document of conveyance.

24.3 Failure of the Association to issue approval or written disapproval within thirty (30) days from receipt of notice, as provided for in this section, shall be deemed to constitute approval, in which event the Association must, on demand, prepare and deliver approval in recordable form.

24.4 No Unit owner shall sell or otherwise transfer his Unit nor shall approval be given until all assessments due are paid, or their payment provided for to the satisfaction of the Association, and unless the proposed grantee or lessee can qualify as to the use restrictions.

24.5 If a Unit owner shall lease his Unit, he shall remain liable for the performance of all agreements and covenants in the condominium Documents and shall be liable for the violations by his lessee of any and all use restrictions.

24.6 If the proposed transfer is a sale, notice to the Association provided for in this section may, at the Unit Owner's option, include a demand that if the Association does not approve the sale, then the Association must furnish a purchaser for the Unit on the same terms, including date of closing, as set forth in the Unit Owner's contract for sale. Such demand shall include a copy of the properly executed sale contract documents. In no event, shall the Association have less than thirty (30) days from the date of disapproval to provide a purchaser.

- 24.7 If the Association fails to provide a purchaser upon the demand of the Unit Owner, in the manner provided, or if a purchaser furnished by the Association shall default in his agreement to purchase then, notwithstanding the disapproval, the proposed transaction shall be deemed to have been approved by the Association and the Association shall, upon the owner's demand, furnish a Certificate of Approval as elsewhere provided, which shall be recorded in the Public Records of Escambia County, Florida, at the expense of the purchaser.
- 24.8 Notwithstanding the above, if the Association provides a purchaser in lieu of approving a Unit Owner's proposed purchaser, the purchase price shall be paid in cash at closing to the Unit Owner who shall not be required, without his written consent, to rely on the credit of a purchaser provided by the Association.
- 24.9 Nothing contained in this section shall preclude or prevent the Association from itself being a purchaser in lieu of furnishing a purchaser as provided for herein; provided, however, such purchase by the Association shall be on the same terms and conditions which would have to be met by any other purchaser hereunder.
- 24.10 If the proposed transfer of a Unit is by gift, or by a manner not contemplated in this section, disapproval of such transfer by the Association shall be final, and the Association shall have no further duty.
- 24.11 No Unit owner may mortgage his Unit, nor any interest in it, without approval of the Association except to a bank, life insurance company, savings and loan association or other institutional lender or institutional investor, or to an approved vendor to secure a portion or all the purchase price. The approval of any other mortgage may be upon conditions determined by the Association or may be arbitrarily withheld.
- 24.12 The foregoing provisions of this section shall not apply to a transfer from, or to a purchase by Developer. Neither shall such provisions apply to a transfer from, or purchase by, a bank, a life insurance company, savings and loan association, or other institutional lender or institutional investor that acquires its title as the result of owning a mortgage upon the Unit concerned, and this shall be so whether the title is acquired by deed from the mortgagor, his successors or assigns, or through foreclosure proceedings. Neither shall such provisions require the approval of a purchaser who acquires the title to a Unit at a duly advertised public sale with open bidding provided by law, such as, but not limited to, execution sale, foreclosure sale, judicial sale or tax sale.
- 24.13 Notwithstanding anything to the contrary in this Declaration, sales by Developer shall not be subject to approval by the Association and are to be made in the discretion of the Developer.
- 24.14 The Association may, but shall have no obligation to, approve a transfer previously made without its approval and in violation of this paragraph, upon written request of the transferee. Approval so granted shall be deemed to be effective as if properly granted. If approval is not granted, the transfer shall be invalid, the Association shall have no duty toward the transferee or transferor, to provide a new transferee, and the disapproved transfer shall be void and of no effect.

25 **RIGHT OF HEIRS AND DEVISEES OF DECEASED UNIT OWNERS.**

- 25.1 If the owner of a condominium parcel should die and the title to the parcel shall pass to his surviving spouse, or to a son, daughter, parent, or sibling of the owner, then such successor in title shall fully succeed to the ownership, rights, duties and obligations of the Unit owner, the provisions of this Declaration notwithstanding.
- 25.2 If the title to the condominium parcel of such deceased owner shall pass to any person other than a person or persons designated in this section, then, within ninety (90) days of such person or persons taking title, occupancy, or possession of the parcel of the deceased owner, he shall advise the Association, in writing, of his intention of residing in the parcel and of his or their current address. The Association shall have thirty (30) days thereafter to advise said person or persons, in writing, delivered or mailed to the said current address, whether his or their occupancy and ownership of the parcel is approved. The failure of the Association to give such advice within the said thirty (30) days shall be deemed automatic approval. If the Association does not approve the ownership and/or occupancy of the parcel by said person or persons and so notifies them, said person or persons shall remain in occupancy only until the Association or such other person or persons shall have procured a purchaser acceptable to the Association for said parcel at a fair market value established by averaging the appraised value stated by two (2) M.A.I. appraisers, the expense of the appraisals to be borne by the Association, which value shall be conclusive upon all persons for all purposes unless grossly inadequate or fraudulent. Thereupon, the person or persons having title, possession, and/or occupancy of said parcel shall execute such papers and documents as the Association may require to effect the transfer of title, possession, and occupancy of the parcel to such purchaser, which purchaser may be the Association.
- 25.3 Nothing in this section shall be deemed to reduce, forgive or abate any amounts due the Association from the Unit owner at the time of his death, nor the assessments attributable to the Unit becoming due after the owner's death, all of which shall be fully due and payable as if the Unit owner had not died.
- 25.4 Nothing herein shall prevent the sale and transfer of a condominium parcel by the owner thereof in the manner otherwise provided in this Declaration.

26 **DISCLAIMER OF WARRANTIES.** Developer hereby disclaims any and all express or implied warranties as to design, construction, furnishing and equipping of the Condominium Property, except only those set forth in Section 718.203 of the Act. As to such warranties, which cannot be disclaimed, and to other claims, if any, which can be made as to the aforesaid matters, all incidental and consequential damages arising therefrom are hereby disclaimed. All unit owners, by virtue of their acceptance of title to their respective units (whether from the developer or another party), shall be deemed to have automatically waived all of the aforesaid disclaimed warranties and incidental and consequential damages.

27 **MEDIATION AND ARBITRATION.** All issues or disputes which are recognized by the Act or by administrative rules promulgated under the Act as being appropriate or required for mediation or arbitration shall be resolved through such alternative resolution procedures instead of civil litigation.

28 **ADDITIONAL PROVISIONS.**

28.1 Notices. All notices to the Association required or desired hereunder or under the Bylaws shall be sent by first class mail to the Association in care of its office at the Condominium, or to such other address as the Association may hereafter designate from time to time by notice in writing to all unit owners. Except as provided specifically in the Act, all notices to any unit owner shall be sent by first class mail to the address of such unit owner appearing in the Association's records at the time the notice is transmitted. Where a unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes, to that one address which the Developer initially identifies for that purpose and thereafter as one or more of the owners of the unit shall so advise the Association in writing, or if no address is given or the owners of the unit do not agree, to the address provided in the deed of record.

28.1.1 All notices to mortgagees of units shall be sent by first class mail to their respective addresses, or such other address as may be designated by them from time to time, in writing to the Association.

28.1.2 All notices shall be deemed to have been given when mailed in a postage prepaid sealed wrapper, except notices of a change of address, which shall be deemed to have been given when received, or 5 business days after proper mailing, whichever shall first occur.

28.2 Interpretation. The Board of Directors shall be responsible for interpreting the provisions hereof and of any of the exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of legal counsel to the Association, or the legal counsel having drafted this Declaration, that any interpretation adopted by the Association is not unreasonable shall conclusively establish the validity of such interpretation.

28.3 Binding Effect of Section 718.303, Florida Statutes. The provisions of Section 718.303(1), Florida Statutes, shall be in full force and effect and are incorporated herein. The Management Company, for as long as the Management Agreement remains in effect, shall assist the Association in the prosecution of any action pursuant to the statute afore described.

28.4 Right of Developer to Add Recreational Facilities and Common Elements. If the Developer elects to add or expand any recreational facilities or any other portion of the Common Elements, the Developer shall pay all the expenses relating to the construction or the providing of such addition or expansion and shall record an amendment to this Declaration describing such property. The amendment shall be executed with the formalities of a deed and recorded in the public records of Leon County, Florida. No approval or action of the Association, unit owners or mortgagees shall be necessary for adding such additional Common Elements to Condominium ownership. All costs of maintenance, repair and replacement relating to the addition or expansion of the recreational facilities or any other portion of the Common Elements shall be a common expense.

28.5 Exhibits. There are hereby incorporated in this Declaration all materials contained in the exhibits and appendices annexed hereto, except that as to such exhibits, any conflicting provisions set forth therein as to their amendment, modification, enforcement and other matters shall control over those hereof.

- 28.6 Signature of President and Secretary. Wherever the signature of the President of the Association is required hereunder, the signature of a Vice President may be substituted therefor, and, wherever the signature of the Secretary of the Association is required hereunder, the signature of an Assistant Secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of the Association in 2 separate capacities.
- 28.7 Severability. The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration, the exhibits and appendices annexed hereto, or applicable rules and regulations adopted pursuant to such documents, as the same may be amended from time to time, shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.
- 28.8 Waiver. No provisions contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce the same, without regard to the number of violations or breaches which may occur.
- 28.9 Ratification. Each unit owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a unit, by reason of his occupancy, shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the Articles of Incorporation, the Bylaws and applicable Rules and Regulations, are fair and reasonable in all material respects.
- 28.10 Gender: Plurality. For convenience and ease of reference, the third person singular impersonal form of pronoun "it" has been used herein without regard to the proper grammatical person or gender of the party being referred to. All such references shall be deemed to include the singular or plural person and the masculine, feminine or neuter gender, as required by the context.
- 28.11 Captions. The captions herein and in the exhibits and appendices annexed hereto are inserted only as a matter of convenience and for ease of reference and in no way define or limit the scope of the particular document or any provision thereof.
- 28.12 Interpretation. The provisions of this Declaration of Condominium shall be liberally construed to effectuate its purposes of creating a uniform plan for the operation of a Condominium in accordance with the laws made and provided for same, i.e. the Condominium Act, as it exists on the date hereof.
- 28.13 Board Approval Not Required. Notwithstanding anything to the contrary stated herein, pursuant to subsections (2)(b)2, (2)(j), (2)(d), (2)(e), (2)(h) of F.S. Section 718.112, certain actions requiring a vote of the unit owners are valid whether or not the action are approved by the Board of Directors.

IN WITNESS WHEREOF, the Developer has executed this Declaration the day and year first above written.

**TO DECLARATION**

**NARRATIVE DESCRIPTION, SURVEY,  
FLOOR PLANS, AND ELEVATIONS**

**NARRATIVE DESCRIPTION**

The Tennyson contains one high-rise building containing 14 floors above grade. The Condominium contains a total of 90 residential units. Two elevators will be provided.

The common elements in the Condominium include all lands and improvements thereon which are not included in the units, the limited common elements or the Developer Reserved Areas.

Reference should be made to the site plan, floor plans, and building elevations set forth in this appendix. The construction is not complete and upon completion this Declaration shall be amended to show the certificate of a surveyor authorized to practice in this state certifying that the construction of the improvements is substantially complete so that the material, together with the provisions of this Declaration describing the condominium property, constitute an accurate representation of the location and dimensions of the improvements and that the identification, location, and dimensions of the common elements, and limited common elements, appurtenant to each unit, can be determined from these materials.

The unit numbers, unit types, and numbers of bathrooms and bedrooms in each unit are described as follows:

The 1<sup>st</sup> floor of the condominium building will contain the main lobby, the Developer Reserved Areas, and associated common areas. The 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> floors will be covered parking and storage areas.

The 5<sup>th</sup> floor will contain the business center, the exercise room, the meeting room, the common area terrace, and 9 residential units.

The 6<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> floors will each contain 10 residential units.

The 8<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup> and 14<sup>th</sup> floors will each contain 9 residential units. There is no 13<sup>th</sup> floor. The Penthouse Level will contain 5 residential units.

Excluding the Penthouse Level, there are 6 floor plans: A.1, A.2, B.1, B.2, C.1, and C.2. The square footage\*, the number of bedrooms and bathrooms for each floor plan is as follows:

No. of Units per Floor Plan	Floor Plan	Approximate Square Feet	Number of Bedrooms	Number of Bathrooms

9	A.1 Octavia	892	1	1 ½
9	A.2 Ginsberg	1,003	1	1 ½

4. **Seal.** The seal of the corporation shall bear the name of the Association, the word "Florida" and the words "corporation not-for-profit," and the year of incorporation, an impression of which is as follows:

5. **Members Meetings.** The annual Members meeting shall be held each year at the office of the corporation, or such other place as is designated by the Board of Directors, on a date during the months of September, October, November or December as from time to time determined by the Board of Directors. The Members may transact at the annual members meeting any business authorized to be transacted by the Members, or by the Declaration or the Condominium Act.

6. **Special Meetings.** Special meetings shall be held whenever allowed by the Condominium Act or called by the President or Vice President or by a majority of the Board of Directors, and must be called by such officers upon receipt of a written request from members holding ten percent (10%) of the voting interests of the entire membership.

7. **Notice.** Notice of all members meetings stating the time and place and identifying each agenda item for which the meeting is called shall be given by the President or Vice President or Secretary unless waived in writing. Such notice shall be posted at a conspicuous place designated by the Board of Directors on the condominium property at least fourteen (14) continuous days preceding the meeting and shall be in writing to each member at his address as it appears on the books of the Association and shall be mailed not less than fourteen (14) days nor more than sixty (60) days prior to the date of the meeting. An officer of the Association shall provide an affidavit, to be included in the official records of the Association, affirming that notices of the Association meeting were mailed or hand delivered in accordance with this provision, to each unit owner at the address last furnished to the Association. Notice of meeting may be waived before the meetings. Consistent with Florida Statutes, certain notice may be electronically delivered and/or delivered by closed-circuit television.

8. **Quorum.** A quorum for members meetings shall consist of persons holding one-third of the voting interests of the entire membership. The acts approved by a majority of the voting interests present at a meeting at which a quorum is present shall constitute the act of the members, except when approval by a greater voting interest is required by the Declaration of Condominium of the condominium operated by the Association, the Articles of Incorporation of the Association or these Bylaws. In determining whether a quorum is present, proxies may be counted as voting interests present.

9. **Members Vote.** At any meeting of the members, the voting interest of each Unit shall be entitled to cast one (1) vote for each condominium unit he owns, which shall not be cumulative.

10. **Multiple Ownership.**

a. If a Unit is owned by one (1) person or entity, the right to vote on behalf of such Unit shall be established by the record title to the Unit. If a Unit is owned by more than one (1) person, the person or entity entitled to cast the vote for the Unit shall be designated by a voting certificate signed by all of the record owners of the Unit and filed with the Secretary of the Association. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the corporation and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or a change in the ownership of the Unit concerned. A certificate designating a person entitled to cast the vote of a Unit may be revoked by any owner of a Unit. If such a certificate is not on file, the vote of such owner shall not be considered in determining the requirement for a quorum nor for any other purpose.

b. Notwithstanding the provisions of Subparagraph (a) of this Paragraph 10, whenever any Unit is owned by a husband and wife they may, but shall not be required to, designate a Voting Member. In the event a Voting Certificate designating a Voting Member is not filed by the husband and wife, the following provisions shall govern their right to vote.

(1) Where both husband and wife are present at a meeting, each shall be regarded as the agent and proxy of the other for purposes of casting the vote for each Unit owned by them. If they are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting.

(2) Where only one (1) spouse is present at a meeting, the spouse present may cast their Voting Interest without establishing the concurrence of the other spouse, absent any prior written notice to the contrary to the Association by the other spouse. In the event of prior written notice to the contrary to the Association by the other spouse, their Voting Interest shall not be considered.

(3) Where neither spouse is present, the person designated in a proxy or Voting Certificate signed by either spouse may cast the Voting Interest, absent any prior written notice to the contrary to the Association by the other spouse or the designation of a different Voting Member by the other spouse. In the event of prior written notice to the contrary to the Association or the designation of a different voting Member by the other spouse, the Voting Interest shall not be considered.

11. **Proxies.** Votes may be cast in person or by proxy subject to the following provisions. A proxy maybe made or revoked by any person entitled to vote and shall be valid only for the particular meeting designated in the proxy and must be filed with the Secretary before the appointed time of the meeting or any adjournment of the meeting, provided that in no event shall a proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given.

a. Unit owners may not vote by general proxy, but may vote by limited proxy in the following instances:

- (1) to waive financial statement requirements,
- (2) to waive or reduce reserves,
- (3) to amend the Declaration, Articles of Incorporation or the Bylaws, and
- (4) for any other matter which requires a vote of the unit owners.

b. Unit owners may not vote by limited or general proxy in a regular election of members of the Board of Directors. Provided, however, that pursuant to the provisions of

61B-23.0026 (2)(d), Florida Administrative Code, unit owners, other than a developer, may vote by limited proxy to fill a vacancy on the Board previously occupied by a board member elected by unit owners other than a developer.

c. General proxies may be used for other matters for which limited proxies are not required and may also be used in voting for non-substantial changes to items for which a limited proxy is required and given.

12. **Lack of Quorum.** If any meeting of members cannot be organized because a quorum is not present, the voting interests who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

13. **Order of Business.** The order of business at annual meetings and as far as practical at other members meetings shall be:

- a. Collection of election ballots.
- b. Election of chairman at meeting.
- c. Call of the roll and certifying of proxies.
- d. Proof of notice of meeting or waiver of notice.
- e. Reading and disposal of any unapproved minutes.
- f. Report of officers.
- g. Report of committees.
- h. Election of inspectors of an election.
- i. Election of directors.
- j. Unfinished business.
- k. New business.
- l. Adjournment.

14. **Reservation of Control by Developer.** Subject to the provisions of Florida Statutes Section 718.112(2)(d)4, and any contrary provisions herein, and only to the extent and for the period permitted by the Condominium Act including Section 718.301 thereof, or until the Developer or any subsequent developer elects to terminate their control of the Association and the condominiums operated by it, whichever occurs first, the proceedings of all meetings of members of the Association shall have no effect unless approved by the Board of Directors. During the time the majority of the directors serving on the Board of Directors are appointees of the Developer, the Developer reserves the right to chair or designate a representative to chair meeting(s) of members.

15. **Number of Directors.** The affairs of the Association shall be managed by a Board of Directors of three (3) directors until such time as unit owners other than the Developer are entitled to elect a majority of the Board of Directors. At such time as unit owners other than the Developer are entitled to elect a majority of the Board of Directors, the Board of Directors shall consist of three (3) to seven (7) members.

16. **Election of Directors.** Election of directors shall be conducted in the following manner:

a. Election of directors shall be held at the annual members meeting.

b. The election shall be by secret ballot or voting machine and by a plurality of the voting interests. The owner of each Unit shall be entitled to cast a vote for each of as many nominees as there are vacancies to be filled. There shall be no cumulative voting. Proxies shall in no event be used in electing the Board of Directors, either its general elections or elections to fill vacancies caused by recall, resignation, or otherwise, except, however, that with respect to the recall and replacement of Board members, votes may be by limited proxy, as provided for in 61 B-23.0026(2)(d), Florida Administrative Code.

c. Not less than sixty (60) days before a scheduled election, the Association shall mail or deliver, whether by separate association mailing or included in another association mailing or delivery including regularly published newsletters, to each unit owner entitled to a vote, a notice of the date of the election. Any unit owner or other eligible person desiring to be a candidate for the Board of Directors must give written notice to the Association not less than forty (40) days before a scheduled election. Together with the written notice and agenda as set forth in subparagraph (7), the Association shall then mail or deliver a second notice of the election to all unit owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include all information sheet, no larger than 8 ½ inches by 11 inches, which must be furnished by the candidate not less than 35 days before the election, to be included with the mailing of the ballot, with the costs of mailing or delivery and copying to be borne by the Association. However, the Association has no liability for the contents of the information sheets prepared by the candidates. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirement; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election of members of the Board of Directors. No unit owner shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. A unit owner who needs assistance in casting the ballot for the reasons stated in Section 101.051, Florida Statutes, may obtain assistance in casting the

ballot. Any unit owner violating this provision may be fined by the Association in accordance with Section 718.303, Florida Statutes. The regular election shall occur on the date of the annual meeting. Notwithstanding the provisions of this subparagraph, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board of Directors.

d. Subject to the provisions of Section 718.301, Florida Statutes, any member of the Board of Directors may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all the voting interests. A special meeting of the unit owners to recall a member or members of the Board of Directors may be called by least (10%) percent of the voting interest giving notice of the meeting as required for a meeting of unit owners, and the notice shall state the purpose of the meeting.

(1) If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall shall be effective as provided herein. The Board of Directors shall duly notice and hold a Board of Directors meeting within 5 full business days of the adjournment of the unit owner meeting to recall one or more Board of Directors members. At the meeting, the Board of Directors shall either certify the recall, in which case such member or members shall be recalled effective immediately and shall turn over to the Board of Directors within 5 full business days any and all records and property of the Association in their possession, or shall proceed as set forth in Paragraph 3.

(2) If the proposed recall is by an agreement in writing by a majority of all voting interests, the agreement in writing or a copy thereof shall be served on the Association by certified mail or by personal service in the manner authorized by chapter 48 of the Florida Rules of Civil Procedure. The Board of Directors shall duly notice and hold a meeting of the Board of Directors within 5 full business days after receipt of the agreement in writing. At the meeting, the Board of Directors shall either certify the written agreement to recall a member or members of the Board of Directors, in which case such member or members shall be recalled effective immediately and shall turn over to the Board of Directors within 5 full business days any and all records and property of the Association in their possession, or proceed as described in Paragraph 3.

(3) If the Board of Directors determines not to certify the written agreement to recall a member or members of the Board of Directors, or does not certify the recall by a vote at a meeting, the Board of Directors shall, within 5 business days after the meeting,

file with the division a petition for arbitration pursuant to the procedures of Section 718.1255, Florida Statutes. For purposes of this section, the unit owners who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any member or members of the Board of Directors, the recall will be effective upon mailing of the final order of arbitration upon the Association. If the Association fails to comply with the order of the arbitrator, the division may take action pursuant to Section 718.501, *Florida Statutes*. Any member or members so recalled shall deliver to the Board of Directors any and all records of the Association in their possession within 5 full business days of the effective date of the recall.

e. Provided, however, that notwithstanding the provision in these Bylaws for the election of directors and the provision for directors terms, nothing herein shall serve to eliminate the Developer's reserved right to retain control of the Association after a majority of the Units are sold.

17. **Director's Term.** The majority of directors receiving the greatest number of votes during the first election in which unit owners other than the Developer elect a majority of the Board of Directors shall serve a term of two (2) years and the other directors elected at that election shall serve a term of one (1) year. All directors elected at subsequent elections shall serve a term of two (2) years. The terms of each director's service shall extend until his successor is duly elected and qualified or until he is removed in the manner elsewhere provided.

18. **Director's Organizational Meeting.** The organizational meeting of a newly elected Board of Directors shall be held within ten (10) days of their election at such place and time as shall be affixed by the directors at the meeting at which they were elected. Adequate notice of the organizational meeting shall be necessary pursuant to Article 21 of these Bylaws.

19. **Regular Meetings.** Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time, by a majority of the directors. Notice of regular meetings shall be given to each director, personally or by mail, telephone or telegraph, at least three (3) days prior to the day named for such meeting.

20. **Special Meeting.** Special meetings of the directors may be called by the President and must be called by the Secretary at the written request of one-fourth (1/4) of the directors. Not less than three (3) days notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting.

21. **Notice of Meetings of the Board of Directors.** Adequate notice of all meetings, which notice shall specifically incorporate an identification of agenda items, shall be posted conspicuously on the condominium property at least 48 continuous hours preceding the meeting except in an emergency. Written notice of any meeting at which non-emergency special assessments, or at which an amendment to rules regarding use of Units will be proposed, discussed or approved, shall be mailed or delivered to the unit owners at least 14 days prior to the meeting, and shall be posted in a conspicuous place on the condominium property at least 14 continuous days preceding the meeting. Evidence of compliance with this 14 day notice shall be made by an affidavit executed by the secretary and filed among the official records of the Association. Notice of any meeting in which regular assessments against unit owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessment.

22. **Open Meetings and Records.** Meetings of the Board of Directors shall be open to all unit owners. Minutes of all meetings of the members or the Board of Directors shall be kept in a book available for inspection by condominium unit owners or their authorized representatives, and Board members at any reasonable time. Said minutes shall be retained for a period of not less than seven (7) years.

23. **Waiver of Notice.** Any director may waive notice of a meeting before or after the meeting and such waiver shall be deemed equivalent to the giving of notice.

24. **Quorum.** A quorum at director's meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of directors as required by the Declaration of Condominium of the condominium operated by the Association, the Articles of Incorporation of the Association and these Bylaws.

25. **Adjourned Meetings.** If at any meeting of the Board of Directors there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present and after notice has been provided. At any adjourned meeting any business that might have been transacted at the meeting as originally called may be transacted without further notice.

26. **Director Action.**

a. **Joinder in Meeting by Minutes.** The joinder of a director in the action of a meeting by signing or otherwise concurring in the minutes of that meeting shall constitute the presence of such director at such meeting; however, it shall not constitute the presence of such director for the purpose of determining a quorum.

b. **Consent.** A director of the Association who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken, unless he votes against such action or abstains from voting in respect thereto because of an asserted conflict of interest. Directors may not vote by proxy or by secret ballot at Board of Directors meetings. A vote or abstention for each member present shall be recorded in the minutes.

c. **Written Action.** Notwithstanding the forgoing, a member of the Board may submit in writing his or her agreement or disagreement with any action taken at a meeting that the Board member did not attend, but the agreement or disagreement may not be used for a vote for or against the action taken and may not be used for purposes of creating a quorum.

27. **Presiding Officer.** The presiding officer of directors meetings shall be the chairman of the Board of Directors if such an officer has been elected; and if none, the President shall preside. In the absence of the presiding officer, the directors present shall designate one of their number to preside.

28. **Order of Business.** The order of business at a directors meeting shall be:

- a. Calling of roll.
- b. Proof of due notice of meeting.
- c. Reading and disposal of any unapproved minutes.
- d. Report of officers and committees.
- e. Election of officers.
- f. Unfinished business.
- g. New business.
- h. Adjournment.

29. **Directors Compensation.** Directors' fees or other compensation, if any, shall be determined by a majority of the voting interests.

30. **Powers and Duties of the Board of Directors.** All of the powers and duties of the Association existing under the Condominium Act, the Declaration of Condominium of the condominium operated by the Association, the Articles of Incorporation of the Association and these Bylaws shall be exercised exclusively by the Board of Directors, its agents, contractors or employees subject only to the approval by the voting interests when such approval is specifically required.

31. **Officers.** The executive officers of the Association shall be a President, who shall be a director, a Vice President, who shall be director, a Treasurer, and a Secretary, all of whom shall be elected annually by the Board of Directors and who may be peremptorily removed by vote of the directors at any

meeting. Any person may hold two (2) or more offices except that the President shall not also be the Secretary or an Assistant Secretary. The Board of Directors from time to time shall elect such other officers and designate their powers and duties as the Board of Directors shall find to be necessary or convenient to manage the affairs of the Association.

32. **President.** The President shall be the chief executive officer of the Association, and shall have all of the powers and duties usually vested in the office of President of an Association, including but not limited to the power to appoint committees from among the members from time to time, in the President's discretion may determine appropriate, to assist in the conduct of the affairs of the Association. After transfer of control of the Association to unit owners other than the Developer has occurred, the President shall appoint a standing budget committee for THE TENNYSON, A CONDOMINIUM, the majority of the membership of which shall be comprised of owners of Units in THE TENNYSON, A CONDOMINIUM. The President, on behalf of the Board of Directors, shall provide the budget committee a copy of the annual budget (or any amendment thereto or any special assessment proposal made in addition to the annual budget) proposed or to be proposed for adoption and shall solicit the budget committee's comments and recommendations regarding the budget; such comments and recommendations shall be submitted for consideration along with the budget itself to the Board of Directors or membership, as the case may be, when the budget is voted on for approval.

33. **Vice President.** The Vice President in the absence or disability of the President shall exercise the powers and perform the duties of the President, and also shall assist the President generally and exercise such other powers and perform such other duties as shall be prescribed by the directors.

34. **Secretary.** The Secretary shall: (i) keep the minutes of all proceedings of the directors and the members in a businesslike manner and available for inspection by condominium unit owners and directors at all reasonable times; (ii) shall attend to the giving and serving of all notices to the members and directors and other notices required bylaw; (iii) have custody of the seal of the Association and affix it to instruments requiring a seal when duly signed; (iv) keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of Secretary of an Association and as may be required by the directors or the President. The Assistant Secretary shall perform the duties of the Secretary when the Secretary is absent.

35. **Treasurer.** The Treasurer shall: (i) have custody of all property of the Association, including funds, securities and evidence of indebtedness; (ii) keep the books of the Association in accordance with good accounting practices; (iii) submit treasurer's reports to the Board of Directors at

reasonable intervals; (iv) make the treasurer's records available for inspection by directors or members at reasonable times; and (v) perform all other duties incident to the office of treasurer.

36. **Officer Compensation.** The compensation of all officers and employees of the Association shall be fixed by the Board of Directors. The provision that directors' fees shall be determined by voting interests shall not preclude the Board of Directors from employing a director as an employee of the Association nor preclude the contracting with a director for the management of the condominium operated by the Association, the Association or any portions of the property thereof.

37. **Fiscal Management.** Provisions for fiscal management of the Association set forth in the Declaration, the Articles of Incorporation, and the Condominium Act shall be supplemented by the following provisions:

a. **Classification of Receipts and Expenditures.** The receipts and expenditures arising out of the use, ownership or maintenance of the Common Elements or other similar receipts or expenditures received or incurred for the benefit of all owners served by the Common Elements or for the benefit of all members of the Association. Any decision by the Board of Directors determining the classification of a particular receipt or expenditure shall be final.

b. **Budgets.** The Board of Directors shall adopt a budget for each fiscal year for the Association. The budget for the Association shall include the estimated receipts and expenditures from the use, ownership, operation and maintenance of the Common Elements as set forth in the Declaration. All budgets adopted by the Board of Directors shall include the estimated funds required to defray the common expenses and to provide and maintain funds according to good accounting practices by accounts and expense classifications including, if applicable, but not limited to the following:

- (1) Administration of the Association
- (2) Management fee

(8) Other expenses

(9) Operating Capital

(10) Reserves (In addition to annual operating expenses, each budget shall include reserve accounts for capital expenditures and deferred maintenance. The accounts shall include, but not be limited to, roof replacement, building painting and pavement resurfacing. Reserve funds shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item. This subparagraph shall not apply to budgets in which the members of the Association have, by a vote of the majority of the total voting interests voting in person or by limited proxy at a duly called meeting of the Association, determined for a fiscal year to provide no reserves or reserves less adequate than required by this subparagraph).

(11) Fees payable to Division, if any.

(12) Betterments (Betterments shall include the funds to be used for capital expenditures for additional improvements or additional personal property that will be a part of the Common Elements of the condominium or the property of the Association.)

(13) Operations (Operations shall include the gross revenues, if any, from the rise of the Common Elements or other property owned by the Association and only the additional direct expense required by the revenue producing operation. Any surplus from such operations shall be used to reduce the assessments in the year following the year in which the surplus is realized. Any losses from such operation shall be met by assessments in the year following the year in which the loss is realized, unless funds cannot be adequately and timely raised in such fashion, in which event the required funds shall be provided by special assessment.)

c. Adoption of Budgets. A copy of each proposed annual budget of common, expenses shall be mailed to the unit owners affected by the budget not less than fourteen (14) days prior to the meeting at which the budget will be considered, together with a notice of that meeting. The unit owner shall be given written notice of the time and place at which such meeting of the Board of Directors to consider the budget shall be held, and such meeting shall be open to

the unit owners. If an adopted budget requires assessment against the unit owners in any fiscal or calendar year exceeding one hundred fifteen percent (115%) of the assessments for the preceding year, the Board of Directors, shall conduct a special meeting of the unit owners to consider a substitute budget if the Board receives, within twenty-one (21) days after the adoption of the annual budget, a written request for a special meeting from ten percent (10%) of all voting interests. Said special meeting shall be conducted within sixty (60) days after adoption of the annual budget and notice of said meeting shall be hand delivered or mailed to each unit owner at least fourteen (14) days prior to such special meeting. At the special meeting, unit owners shall consider and enact a budget upon vote of not less than a majority vote of all the voting interests.

In any event, the Board of Directors may propose a budget to the unit owners at a meeting of the members or in writing, and if the budget or proposed budget is approved by the unit owners at the meeting or by a majority of all the voting interests in writing, without a meeting, the budget so approved shall be adopted. If a meeting of the unit owners affected by a budget has been called and a quorum of those unit owners affected by the budget in question is not attained or a substitute budget is not adopted, the budget adopted by the Board of Directors shall go into effect as scheduled.

In determining whether assessments exceed one hundred fifteen percent (115%) of similar assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the condominium or development property, as the case maybe, anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis, or assessments for betterments to the condominium or development property, as the case may be, shall be excluded from the computation. However, as long as the Developer is in control of the Board of Directors, the Board of Directors shall not impose an assessment for any year greater than one hundred fifteen (115%) of the prior fiscal or calendar year's assessment without approval of a majority of all voting interests affected by the particular budget.

d. Assessments. The Board of Directors shall make assessments against each Unit for its share of the items of each budget in an amount not less than required to provide funds in advance for payment of all the anticipated current operating expenses and for all of the unpaid operating expenses

previously incurred. The assessments shall be made at least monthly in advance and shall be due in equal, monthly installments on the first day of each month for which the assessments are made. If a monthly assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment and such monthly assessments shall be due on the first day of each month until changed by an amended assessment. In the event the monthly assessment shall be insufficient in the judgment of the Board of Directors, the Board of Directors shall amend each budget and shall make amended assessments in sufficient amounts to meet the expenses; provided, however, that any account of all amended budget that exceeds the limit upon increases shall be subject to approval of membership of the Association affected by that particular budget as previously required in these Bylaws.

e. Reserves. If a meeting of the unit owners affected by a budget has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves, as included in the budget, shall go into effect.

38. Special Assessments and Capital Improvement Assessments. In addition to General Assessments, the Board of Directors may levy "Special Assessments" and "Capital Improvement Assessments" upon the following terms and conditions:

(a) "Special Assessments" shall mean or refer to amounts levied against each owner and such owner's unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature which are not in the nature of capital improvements.

(b) "Capital Improvement Assessments" shall mean and refer to amounts levied against each owner and such owner's unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from maintenance, repairs and replacement) of any capital improvements located or to be located within the Common Elements.

(c) Special Assessments and Capital Improvement Assessments may be levied by the

Board of Directors and shall be payable in lump sums or installments, in the discretion of the Board of Directors; provided that, if such Special Assessments and Capital Improvement Assessments, in the aggregate in any year, exceed

\$5,000.00 or cause the total assessments levied to exceed 115% of assessments for the preceding calendar year, the Board of Directors must obtain approval of a majority of the record owners of the Common Elements of The Tennyson, a condominium represented at a meeting duly called, noticed and held in accordance with the Bylaws and the Act.

39. **Depository.** The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the monies from such accounts shall be withdrawn only by checks signed by such persons as are authorized by the directors.

40. **Parliamentary Rules.** Roberts' Rules of Order (latest edition) shall govern the conduct of Association meetings when not in conflict with the Declaration of Condominium, Articles of Incorporation or these Bylaws.

41. **Official Records:**

a. From the inception of the Association, the Association shall maintain a copy of each of the following, where applicable, which shall constitute the official records of the Association:

- (1) The plans, permits, warranties, and other items provided by the Developer pursuant to Section 718.301(4);
- (2) A photocopy of the recorded Declaration of each condominium operated by the Association and all amendments thereto; and a photocopy of the recorded Bylaws of the Association and all amendments thereto;

(10) Accounting records for the Association and separate accounting records for any other condominium it operates according to good accounting practices. All accounting records shall be maintained for a period of not less than seven (7) years. The accounting records shall include, but are not limited to:

(i) Accurate, itemized, and detailed records of all receipts and expenditures.

(ii) A current account and a monthly, bimonthly, or quarterly statement of the account for each Unit designating the name of the unit owner, the due date and amount of each assessment, the amount paid upon the account, and the balance due.

(13) A copy of the current Question and Answer Sheet as described in Section 718.504, Florida Statutes.

b. The official records of the Association shall be maintained in the county in which the condominium is located or within twenty-five (25) miles of the property if maintained in another county.

c. The official records of the Association are open to inspection by any Association member or the authorized representative of such member at all reasonable times. The right to inspect the records includes the right to make or obtain copies at the reasonable expense of the Association member. The Association may adopt reasonable rules regarding the frequency, time, location, notice and manner of record inspection and copying. The failure of an Association to provide the records within ten (10) working days after receipt of a written request shall create a rebuttable presumption that the Association willfully failed to comply with this paragraph. A unit owner who is denied access to official records is entitled to the actual damages or minimum damages for the Association's willful failure to comply with this paragraph. The minimum damages shall be \$50.00 per calendar day up to ten (10) days, the calculation to begin on the eleventh working day after receipt of the written request. Failure to permit inspection of the Association records as provided herein entitles any person prevailing in an enforcement action to recover reasonable attorneys' fees from the person in control of the records who, directly or indirectly, knowingly denied access to the records for inspection. The Association shall maintain an adequate number of copies of the Declaration, Articles of Incorporation, Bylaws, and rules, and all amendments to each of the foregoing, as well as the Question and Answer Sheet provided for in Section 718.504, *Florida Statutes*, on the condominium property to ensure their availability to unit owners and prospective purchasers, and may charge its actual costs for preparing and furnishing these documents to those requesting the same.

d. The Association shall prepare a Question and Answer Sheet as described in Section 718.504, *Florida Statutes*, and shall update it annually.

42. **Annual Financial Report.** Within ninety (90) days following the end of the previous fiscal year of the Association, the Association shall prepare and complete, or contract for the preparation and completion of a complete financial report for the

previous fiscal year in accordance with Section 718.111(13), Florida Statutes. Within twenty-one (21) days after the financial report is completed by the Association or received from the third party, but not later than one hundred twenty (120) days following the end of the fiscal year, the Association shall mail to each unit owner at the address last furnished to the Association by the unit owner, or hand deliver to each unit owner, a copy of the financial report. At a minimum, the report shall show the amounts of receipts by accounts and receipt classifications and shall show the amounts of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

- a. Costs for security;
- b. Professional and management fees and expenses;
- c. Taxes, if any, and leasehold or subleasehold estate rent;
- d. Costs for recreational facilities;
- e. Expenses for refuse collection and utility services;
- f. Expenses for lawn care;
- g. Costs for building maintenance and repair;
- h. Insurance costs;
- i. Administrative and salary expenses; and
- j. Reserves for capital expenditures, deferred maintenance, and any other category for which the Association maintains a reserve account or accounts.

43. **Fidelity Bonds.** The Association shall obtain and maintain adequate insurance or Fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. As used in this paragraph, the term "persons who control or disburse funds of the Association" includes, but is not limited to, those individuals authorized to sign checks and the President, Secretary, and Treasurer of the Association. The Association shall bear the cost of bonding. However, in the case of a person providing management services to the Association and required to be licensed pursuant to Section 468.432, Florida Statutes, the cost of bonding may be reimbursed by the Association, and all such persons providing management services to the Association shall provide the Association with a certificate of insurance evidencing compliance with this paragraph.

44. **Fines.** In addition to all remedies provided in the Declaration of Condominium of the condominium operated by the Association, the Articles or these

Bylaws, the Board of Directors of the Association may, upon reasonable notice of not less than 14 days and an opportunity for hearing, fine and charge any offending member a sum not to exceed One Hundred Dollars (\$100.00) for each infraction of the provisions of said Declaration, Articles, Bylaws or reasonable rules and regulations of the Association. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed \$1,000.00. No fine may be levied except after giving reasonable notice and opportunity for a hearing to the unit owner and, if applicable, its licensee or invitee. The hearing must be held before a committee of other unit owners. If the committee does not agree with the fine, the fine may not be levied.

The Notice shall include the following:

- a. Statement of date, time and place of hearing.
- b. Statement of provisions allegedly violated (Declaration, Bylaws, Rules) and
- c. Short and plain statement of the matters asserted by the Association.

The party against whom the fine may be levied shall have an opportunity to respond, to present evidence and to provide written or oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge and respond to any material considered by the committee. If the committee agrees with the fine, the Board of Directors shall receive the report of the committee and if the Board approves the recommendation of the committee, the Board of Directors may levy the fine. No fines shall become a lien against the Unit.

45. **Fees.** No fee shall be charged by the Association in connection with a transfer, lease, sale or sublease of a condominium unit which, if there be any such requirement, is subject to approval of the Association or its Board of Directors, in excess of the expenditures reasonably required for the transfer or sale, and this expense shall not exceed \$50.00. No charge shall be made in connection with an extension or renewal of a lease

46. **Amendments.** In addition to any other method provided under the Declaration or Articles of Incorporation, these Bylaws may be amended in the following manner:

a. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

b. A resolution adopting a proposed amendment may be proposed by either the Board of Directors of the Association or by the voting interests of the Association. Directors and voting interests not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing such approval is delivered to the Secretary at or prior to the meeting. Except as elsewhere provided, such approvals must be either by:

(1) Not less than two-thirds (2/3) of the voting interests of the entire membership of the Association.

(2) Until the transfer of control from the Developer to unit owners other than the Developer, by two-thirds (2/3) of the directors.

c. No Bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined, and the words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language:

"Substantial rewording of Bylaw. See Bylaw - for present text."

Non-material errors or omissions in the Bylaw process shall not invalidate an otherwise promulgated amendment.

47. **Alternate Dispute Resolution; Voluntary Mediation; Mandatory Non-binding Arbitration, Voluntary Arbitration.**

a. **Definitions.** As used in this section, the term "dispute" means any disagreement between two or more parties that involves:

(1) The authority of the Board of Directors, under any law or association document to:

(i) Require any owner to take any action, or not to take any action, involving that owner's Unit.

(ii) Alter or add to a common area or element.

(2) The failure of a governing body, when required by law or an association document to:

- (i) Properly conduct elections.
- (ii) Give adequate notice of meetings or other actions.
- (iii) Properly conduct meetings.
- (iv) Allow inspection of books and records.

"Dispute" does not include any disagreement that primarily involves title to any unit or common element; the interpretation or enforcement of any warranty; or the levy of a fee or assessment, or the collection of any assessment levied against a party.

b. Voluntary Mediation. Voluntary mediation through Citizen Dispute Settlement Centers as provided for in F.S. 44.201 is encouraged.

c. Mandatory Non-binding Arbitration Of Disputes. The Division of Florida Land Sales, Condominiums, and Mobile Homes of the Department of Business and Professional Regulation shall employ full-time arbitrators to conduct the arbitration hearings. The department shall promulgate rules of procedure to govern such arbitration hearings. The decision of an arbitrator shall be final, however, such a decision shall not be deemed final agency action. Nothing in this provision shall be construed to foreclose parties from proceeding in a trial de novo. If such judicial proceedings are initiated, the final decision of the arbitrator shall be admissible in evidence.

(1) Prior to the institution of court litigation, the parties to a dispute shall petition the division for non-binding arbitration. Arbitration shall be conducted according to rules promulgated by the division. The filing of a petition for arbitration shall toll the applicable statute of limitations.

(2) At the request of any party to the arbitration, such arbitrator shall issue subpoenas for the attendance of witnesses and the production of books, records, documents, and other evidence and any party on whose behalf a subpoena is issued may apply to the court for orders compelling such attendance and production. Subpoenas shall be served and shall be enforceable in the manner provided by law.

(3) The arbitration decision shall be presented to the parties in writing. An arbitration decision shall be final if a complaint for judicial

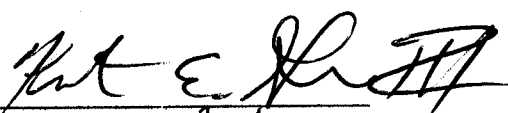

resolution of the dispute is not filed in a court of competent jurisdiction within 30 days. The prevailing party may be awarded reasonable attorneys' fees.

(4) The party who files a complaint for a trial de novo shall be assessed the other party's arbitration costs, court costs, and other reasonable costs, including attorneys' fees, investigation expenses, and expenses for expert or other testimony or evidence incurred after the arbitration hearing if the judgment upon the trial de novo is not more favorable than the arbitration decision. If the judgment is more favorable, the party who filed a complaint for trial de novo shall be awarded reasonable court costs and attorneys' fees.

(5) Any party to all arbitration proceeding may enforce an arbitration award by filing a petition in the circuit court for the circuit in which the arbitration took place. A petition may not be granted unless the time for appeal by the filing of complaint for trial de novo has expired. If a complaint for trial de novo has been filed, a petition may not be granted with respect to an arbitration award that has been stayed.

48. **Execution and Recording.** A copy of each amendment shall be attached to or incorporated in a certificate certifying that the amendment was duly adopted as an amendment of the Declaration and Bylaws, which certificate shall be executed by the officers of the Association with the formalities of a deed. The amendment shall be valid and effective when such certificate, with a copy of the amendment attached thereto or incorporated therein, is recorded in the public records of Leon County, Florida.

The foregoing was adopted as the Bylaws of The Tennyson Homeowners Association, Inc., a not-for-profit corporation under the laws of the State of Florida, at the first meeting of the Board of Directors on the 6<sup>th</sup> day of April, 2006.
